

Snowman Heating & Cooling Announces Summer Promotions

January 13, 2016

January 13, 2016 - PRESSADVANTAGE -

Customers can take advantage of deals on ducted systems, split systems, and evaporative systems.

The team at Snowman Heating & Cooling is pleased to announce that they've launched their summer promotions, which include enticing deals for people around Melbourne who might need cooling system services.

For instance, Snowman Heating & Cooling is offering the Supercool Evaporative Cooling 5 points at \$3,499, the Braemar Evaporative cooling 5 points for \$2,999, the Samsung refrigerated ducted system 5 points at \$6,999, and the Samsung split system 5 kw at \$1,999. ?All prices include supply and installation,? said the Snowman Heating & Cooling team.

A full listing of the promotions available from Snowman Heating & Cooling can be found at <http://snowman.com.au/>.
