

Youtopia Designs Selected to Design, Present Custom Kitchen at 2016 St. Louis Home Show

January 13, 2016

January 13, 2016 - PRESSADVANTAGE -

The team at Youtopia Designs is pleased to announce that they have been chosen to design and present a custom kitchen at the 2016 St. Louis Home Show.

Out of 1800 local companies, only a few were selected to design key areas within the Home Show. The Youtopia Designs team has been hard at work planning and designing the kitchen that will be unveiled on March 3, 2016.

Youtopia Designs is a Saint Louis-based design firm that offers space planning, furniture selection, 3D renderings, graphic design, and other services to residential and commercial clients. More information can be found at <http://youtopiadesigns.com>.
