

## **Mohave Eye Center Opens New Ramar Location in Bullhead City**

*October 17, 2024*

October 17, 2024 - PRESSADVANTAGE -

Bullhead City, AZ ? Mohave Eye Center is proud to announce the opening of a third location at 2000 HWY 95 Suite 210, Bullhead City, AZ. This will provide patients the greater access to comprehensive eye care. This new facility, led by Dr. Daniel Crook and Dr. Mark Stradling, will focus on offering a wide range of services from routine eye exams to advanced treatments, including specialized surgeries and vision correction procedures.

?We?re thrilled to open this new location and expand our ability to provide excellent care to the residents of Bullhead City and surrounding areas,? said Dr. Jeff Bergeson, a leading optometrist at Mohave Eye Center. ?With Dr. Crook on board, we?re confident that patients will receive the highest level of care and attention to their eye health needs. More importantly, patients will also have more time slots available to schedule, and shorter wait times when they arrive.?

Dr. Crook will be primarily serving patients at the new Ramar office, offering services ranging from routine

eye exams to advanced treatment options for a variety of ocular conditions. From pediatric to senior eye care, patients will have access to services that include cataract surgery, glaucoma treatment, diabetic eye care, and management of conditions like macular degeneration and dry eye. By offering both optometry and ophthalmology services in-house, Mohave Eye Center provides a seamless experience where patients can receive comprehensive care under one roof.

Mohave Eye Center has been a staple in the Bullhead and Kingman communities, known for its commitment to advanced technology and patient-first approach. With the addition of this new location, patients in Bullhead City and the surrounding areas will have easier access to a full range of services, including pediatric eye care, glaucoma management, cataract surgery, and more.

"This new office represents our dedication to making high-quality eye care accessible to more families across Arizona, said Dr. Andrew Ochiltree, co-owner of Mohave Eye Center. "We serve a fundamental purpose in this community: to make it better. By improving our reach, impact, and collective patient support, we're doing just that."

The new Ramar location is equipped with the latest technology in diagnostics and treatment, ensuring that patients receive the best possible care. By expanding into this area, Mohave Eye Center is taking another step toward its goal of offering comprehensive, compassionate care to as many people as possible.

Patients can now schedule appointments with Dr. Crook or Dr. Stradling at the Ramar office. Mohave Eye Center remains dedicated to providing personalized care tailored to each patient's unique needs, continuing its mission to improve the overall eye health of the communities it serves.

For more information or to book an appointment at the new location, visit Mohave Eye Center's website at <https://mohaveeyecenter.com/> or call their office directly at (928) 758-3937.

## About Mohave Eye Center

Founded in 1960, Mohave Eye Center has been a trusted provider of comprehensive eye care for over 60 years, serving the Arizona community with a full range of medical, surgical, and optical services. As one of the first practices in the region to combine optometry and ophthalmology, Mohave Eye Center offers personalized care through advanced diagnostics, treatments, and surgeries. With locations in Kingman, and Bullhead City, the practice specializes in eye exams, cataract surgery, glaucoma management, diabetic eye care, and more. Their experienced team is dedicated to using the latest technology to ensure patients of all ages achieve and maintain optimal vision.
