October 17, 2024

Wilmington, Delaware - October 17, 2024 -
Philadelphia - PSCI, a leading IT staffing and consulting firm, is proud to announce its membership in The Chamber of Commerce for Greater Philadelphia. This strategic move reinforces PSCI's commitment to fostering business growth and contributing to the vibrant economic landscape of the Philadelphia region.

With over 30 years of experience in providing top-tier IT talent and solutions, PSCI has established itself as a trusted partner for Fortune 500 companies, middle-market businesses, and government agencies. The company's expertise spans various industries, including banking, biotechnology, healthcare, and energy, among others.

"Joining The Chamber of Commerce for Greater Philadelphia is a natural step for PSCI as we continue to expand our presence and impact in the region," said Sean O?Neill, EVP, Business Development, at PSCI. "We look forward to collaborating with fellow members and contributing to the Chamber's mission of driving

growth and prosperity in the Greater Philadelphia area."

PSCI's unique approach to IT staffing and consulting sets it apart in the industry. The company's commitment to building genuine relationships with both clients and IT professionals has been the cornerstone of its success since its founding in 1993. PSCI's extensive pipeline of exceptional IT talent enables them to quickly match the right professionals with the right opportunities, ensuring optimal results for all parties involved.

PSCI's success can be attributed to several key differentiators that set it apart in the IT staffing and consulting industry. The company's strong local presence and expertise in key areas nationwide allow it to foster long-term relationships with top IT talent in the communities it serves. This approach is complemented by PSCI's commitment to invested relationships, where dedication to clients and candidates extends beyond typical staffing services, focusing on long-term success and mutual growth. PSCI's high satisfaction rate is a testament to its quality service, proudly maintaining the highest levels of technologist and client satisfaction and never losing a client due to performance in over three decades of operation.

Additionally, PSCI cultivates a culture of communication, where regular knowledge sharing among experienced technologists ensures that the latest IT developments and real-world expertise are continually passed on, benefiting both clients and candidates alike. These unique attributes collectively contribute to PSCI's reputation as a trusted partner in the IT staffing and consulting field.

PSCI offers a comprehensive range of IT staffing services, including project-based placement and permanent placement. The company's core competencies cover various IT disciplines, such as project management, quality assurance, application architecture and development, database management, systems and networking, and clinical statistics and programming.

As a new member of The Chamber of Commerce for Greater Philadelphia, PSCI looks forward to leveraging its expertise to contribute to the region's economic growth and technological advancement. The company's proven process for finding and retaining the best technical talent aligns well with the Chamber's goals of fostering business success and innovation in the area.
