Dundee Concrete, Curb & Landscaping Expands Spokane Services with New Concrete Finishes and Outdoor Living Installations

October 22, 2024

Spokane, Washington - October 22, 2024 -
Dundee Concrete, Curb & Landscaping is expanding its services in Spokane, sharing nearly two decades of experience with a wider audience of homeowners and businesses. The company now offers more options in landscaping and concrete work, from decorative curbing to intricate concrete finishes.

They're enhancing their services with a full range of lawn and spray care options to keep lawns looking great throughout the year. This means homeowners can expect their lawns to be green and healthy, no matter the season. Their variety of curbing choices boosts the look and value of properties, offering different styles and stamped designs.

Dundee Concrete Spokane is also stepping up its game with new concrete installation services. These include different finishes like broom finish, exposed aggregate, stained, sand wash, and stamped concrete. Such choices give customers a chance to personalize projects according to their vision.

Steve Felchlin, a company representative, said, "With more people wanting unique outdoor spaces, Dundee Concrete, Curb & Landscaping Spokane is dedicated to offering a wide array of services, tailored to meet the tastes and needs of our clients. We aim to enhance outdoor areas that add value and improve the function of our customers' homes and businesses."

Their landscaping services cover installations of artificial turf, foundations, driveways, and landscape pavers, ensuring that Spokane locals have the resources they need to make their outdoor spaces both beautiful and functional.

Dundee also excels in wall construction, offering robust options like block walls, boulder walls, concrete walls, and timber walls. Whether a project is for visual appeal or structural needs, Dundee provides the expertise needed.

As Dundee broadens its service reach, they also offer outdoor living installations for those wanting to create usable spaces outside. This includes setting up fire pits, patios, pergolas, gazebos, water features, and even sports courts, all of which contribute to a lively outdoor lifestyle.

Steve Felchlin emphasized the importance of these services, noting, "Outdoor living spaces are increasingly important as they extend indoor comfort and functionality outdoors. Dundee Concrete is excited to be offering these to cater to the growing demand for beautiful and versatile outdoor spaces in Spokane."
