

Soulmutts Toronto Enhances Dog Safety with Customised Transport for Downtown Dog Boarding

November 04, 2024

TORONTO, ON - November 04, 2024 -
Toronto, ON?Soulmutts Toronto, a leader in dog care services including dog grooming services in Toronto, is proud to announce the addition of customised, pet-friendly transport to its dog boarding services. Designed to offer the highest level of comfort and safety, the specialised fleet of transport vehicles ensures a stress-free experience for dogs being picked up or dropped off for boarding, daycare, and other services in downtown Toronto.

Soulmutts Toronto has invested in a fleet of customized Mercedes Benz Sprinters, each fitted with equipment and features explicitly tailored to the needs of their four-legged passengers. The vehicles are equipped with secure, individual compartments that provide a comfortable and safe space for each dog, allowing them to travel in a relaxed and controlled environment. Trained professionals oversee each transport to ensure the utmost care, making the journey an enjoyable part of the Soulmutts experience. Each vehicle is climate-controlled, ensuring that dogs stay cool in the summer and warm in the winter, no matter the weather conditions outside.

?At Soulmutts Toronto, we?re dedicated to delivering quality care at every stage of a dog?s experience with us, including transportation,? said the CEO of Soulmutts Toronto ?Our customised transport vehicles not only ensure safety but also give dogs a comfortable, familiar space to ease any anxiety associated with travel. We?re delighted to offer this service as part of our comprehensive boarding experience for pets and peace of mind for pet owners.?

Soulmutts Toronto?s custom transport vehicles are fully climate-controlled to keep dogs comfortable regardless of the weather. Each vehicle undergoes regular maintenance and deep cleaning to ensure a safe and hygienic environment. The transport service is fully insured and managed by experienced drivers and pack leaders trained in dog handling and safety protocols.

Safety is a top priority for Soulmutts Toronto, extending beyond the transport fleet. All new dogs are gradually introduced to the pack through thorough trial assessments to ensure compatibility and comfort during off-leash play in the company?s large indoor and outdoor play areas. The company?s commitment to safety is reflected in its status as a fully insured and bonded company, with RSA Insurance, SPCA approvals and membership in Pet Sitters International.

Operating 365 days a year, Soulmutts Toronto offers flexible transport schedules to accommodate busy pet owners. Whether for regular daycare, holiday boarding, or grooming appointments, Soulmutts Toronto?s transport services provide a convenient and reliable option for safe and comfortable travel to and from their downtown facilities.

This new service is especially beneficial for dogs who experience stress during travel or for owners looking for a seamless and convenient boarding experience. With over 400 positive reviews and recognition from esteemed publications such as the Globe and Mail, Soulmutts Toronto has proven to be a trusted partner in pet care for families across Toronto.
