Stream Ben Killen's "Singing River Blues" on Amazon Prime Music

October 30, 2024

New York, New York - October 30, 2024 -
B.D. Killen Music Group has just made it easier for fans all over the world to enjoy Ben Killen's music by launching an artist page for him on Amazon Music. This new feature lets people listen to his latest single, "Singing River Blues," blending Americana, Folk, and Alt-Country, right on Amazon Prime Music. Now fans can stream his music from almost anywhere, making it more convenient to connect with his sound.

Ben Killen stands out in the music scene not just for his exceptional skills but also for his commitment to various causes. His new release, "Singing River Blues," offers more than a good tune; it's part of a philanthropic mission. For the first year, Ben has committed to donating all proceeds from the single to charitable causes and he hopes it can also help raise awareness for Congresswoman R. Tlaib's "Living Wage for Musicians Act of 2024," H.R. 7763. This bill aims to boost musicians' income through increased streaming royalties, seeking fairness for artists in the music industry.

B.D. Killen shared his enthusiasm about being on Amazon Music, saying, "We're thrilled to be on Amazon Music, making our music more accessible to fans. This platform provides an opportunity to reach a wider audience while staying true to our mission of advocacy and representation within the music industry." He noted the need for fair treatment of artists, which fits with his aim to use music for positive changes.

Aside from his single, Killen is also involved in different creative and advocacy projects. He is behind the launch of CowgirlRadio.com, an online radio station focusing on promoting female musicians. The station challenges the traditional gender roles in the music industry, fighting for equal chances for women. CowgirlRadio.com shows Killen's entrepreneurial spirit and his devotion to promoting diversity in music. For more about the radio station's mission and its influence, visit their website.

Killen's musical journey has been interesting, from moving from Alabama to New York City to being a former American Idol 'Hollywood' contestant. These experiences have influenced his musical style. His storytelling

approach shines through in both his self-directed official music video and a lyric video dedicated to W.C. Handy, known as the "Father of the Blues."

Fans eager to know more about Ben Killen's offerings in music, books, and visual arts can explore his website. The site highlights his multi-faceted talents and provides access to his comprehensive online shop.

Fans can explore more about Ben Killen and his work on his new artist page at https://www.amazon.com/music/player/artists/B0DFHSWPHL/ben-killen. To keep up with B.D. Killen Music Group's developments, visit https://www.pressadvantage.com/organization/b-d-killen-music-group.

Additionally, the group offers a media room for news and updates about their progress and initiatives at https://press.killenmusicgroup.com/news/. This space gives insights into their operations, commitment to showcasing exciting music, and their involvement in live entertainment.

B.D. Killen Music Group is dedicated to creating opportunities for musicians and advocating for meaningful changes in the industry. By using platforms like Amazon Music, they are promoting access, inclusivity, and creative expression, aligning their music goals with broader social and economic agendas.

B.D. Killen summed up his thoughts, "Music is more than just notes and rhythms. It's a powerful medium for storytelling and change. We're eager to continue this journey and invite all to join us. Streaming 'Singing River Blues' on Amazon Music is just another step toward our vision."

With strategic partnerships and advocacy in mind, B.D. Killen Music Group remains focused on driving important conversations around artists' rights and representation, aiming to amplify diverse voices in the industry.
