

Bathroom Experts Named "Remodeler of the Year" by WinnipegBest for Innovation in Accessible Design

November 01, 2024

November 01, 2024 - PRESSADVANTAGE -

Bathroom Experts, a leading bathroom remodeling company in Winnipeg, has been awarded the prestigious "Bathroom Remodeler of the Year" recognition by WinnipegBest.ca, marking a significant milestone in their commitment to exceptional home renovation services and accessible design solutions.

The award recognizes Bathroom Experts' outstanding contribution to innovative bathroom remodeling solutions, particularly their specialized work in accessible bathroom designs and their exclusive partnership with Step In Tub manufacturers. The company, owned and operated by Rocket Rooter Inc., has demonstrated exceptional expertise in combining functionality with elegant design, making them a standout choice for homeowners across Manitoba.

"This recognition reflects our unwavering commitment to excellence and our dedication to making bathroom renovations accessible to everyone," said [Founder's Name], owner of Bathroom Experts. "We're particularly proud of our work in creating barrier-free bathrooms that combine safety with sophistication, allowing our clients to age in place without compromising on style."

The award committee particularly noted Bathroom Experts' comprehensive approach to bathroom remodeling, which includes:

Full-service bathroom renovations from concept to completion
Specialized installation of easy-access Step In Tubs
Expert plumbing and drain cleaning services
Installation of premium acrylic wall systems
Innovative use of eco-friendly pipe maintenance solutions
24/7 availability for customer service and emergency repairs

In response to growing demand for aging-in-place solutions, Bathroom Experts has expanded their inventory of accessible bathroom products and enhanced their installation services. Their partnership with Step In Tub manufacturers has enabled them to offer superior walk-in tub solutions that combine safety features with luxury elements, making them a perfect choice for seniors and individuals with mobility challenges.

The company's commitment to excellence extends beyond product selection to include:

Comprehensive project management from initial design to final installation
Licensed and certified installation professionals
Strict adherence to building codes and safety standards
Use of premium materials and fixtures
Flexible financing options
Industry-leading warranties on products and workmanship

"What sets Bathroom Experts apart is their attention to detail and customer service," noted the WinnipegBest.ca selection committee. "Their ability to transform ordinary bathrooms into safe, accessible, and beautiful spaces while maintaining 24/7 availability for their clients is truly remarkable."

Looking ahead, Bathroom Experts has announced plans to further expand their services, including:

Introduction of new eco-friendly remodeling options;
Enhanced digital design consultation services
Extended warranty programs;
Additional accessible bathroom product lines;
Expanded service area throughout Greater Winnipeg

The company's success is attributed to its holistic approach to bathroom remodeling, combining traditional plumbing expertise with modern design sensibilities and a strong focus on accessibility. Their team of certified professionals ensures that each project, whether a simple update or a complete renovation, meets the highest standards of quality and safety.

For homeowners considering bathroom renovations or requiring accessible bathroom solutions, Bathroom Experts offers free consultations and detailed project quotes. Their showroom at 545 B Academy Road in Winnipeg showcases the latest in bathroom design and accessibility features, allowing customers to experience firsthand the quality and innovation that earned them this prestigious recognition.
