Rise Marketer is a website run by online marketing experts that provides businesses and entrepreneurs with an array of tools and solutions for online marketing. The company has now released their exclusive podcast with more to come in the future.

Online marketing has become a number one tool for any business to pursue effective advertising and growing their brand. People now use internet like they never did before; more than 40% of the world's population uses the internet with 80% of the said internet users being Smartphone owners. Rise Marketer is a cutting-edge website providing professional advice, tools and tips regarding online marketing.

The website mainly caters to entrepreneurs and small/ startup businesses. The website also runs a blog at <http://www.risemarketer.com/blog/> where they post informative blog posts regularly on an array of topics related to internet marketing. After the success of their blog, Rise Marketer has now released their very first podcast which will be followed by many more to come. The spokesperson for Rise Marketer made an official press statement during which he provided an in-depth breakdown of what the website does and why the new podcast series has been created.

Created by 22 year old affiliate marketing expert Rod Calupitan who is based in Houston, Texas, Rise Marketer is one of Rod's most prominent career achievements. He created the website to provide internet marketing and affiliate marketing tools and tips to young entrepreneurs like him who don't have enough resources to seek professional help, stated the spokesperson.

He further added about the podcast "We are very excited about the new podcast here at Rise Marketer because just like our blog, it has received lots of positive feedback from the listeners. We are working on making this podcast a regular thing. Full of advice and tips regarding internet marketing, we will also start incorporating listener inquiries into our podcasts."
