Li and Liao Optometry Offers 30% Off for Veterans Day in Northwest Bakersfield

November 04, 2024

BAKERSFIELD, CA - November 04, 2024 -
Northwest Bakersfield, CA ? Li and Liao Optometry is proud to honor veterans and active duty military this Veterans Day with a special offer. As a token of appreciation for their service, the optometry practice will offer a 30% discount on optical purchases to veterans and active duty members. This offer is available exclusively at the Northwest Bakersfield location.

?We believe it?s important to show our appreciation to those who have served and continue to serve our country,? said Dr. Dawson Li, O.D., co-founder of Li and Liao Optometry. ?This discount is a small way to thank veterans and active duty members for their dedication and sacrifice. We hope to make a meaningful impact by providing access to quality eyewear essential for everyday tasks and maintaining overall well-being.?

The special Veterans Day offer is available exclusively on November 11 at Li and Liao Optometry's Brimhall location. To receive the 30% discount, veterans and active duty military members must present a valid military ID at the time of purchase. The offer applies to all optical purchases, including lenses and frames, but excludes other services, such as eye exams and specialty treatments.

Li and Liao Optometry?s Veterans Day discount includes a range of eyewear and optical products. Eligible customers can take advantage of this offer to receive quality eye care solutions, including prescription glasses, frames, and contact lenses. The practice also offers various lens options, such as anti-reflective coatings and blue-light blocking technology, designed to enhance visual comfort and protect eye health, especially for those frequently using digital devices.

Li and Liao Optometry is dedicated to honoring patients? time by delivering personalized, high-quality eye care that caters to a wide range of vision needs. The practice?s mission is to provide comprehensive services that promote eye health and enhance visual quality through cutting-edge technology and compassionate care. Their service range includes routine eye exams, specialty contact lens fittings, treatment for eye conditions like dry eye and myopia, and advanced options such as Neurolens® for digital eye strain. The optometrists and staff are committed to building long-lasting relationships with patients across the Bakersfield and surrounding communities.

In addition to the discount, Li and Liao Optometry is committed to providing personalized eye care services tailored to each patient's needs. With a wide selection of frames from leading brands, the practice ensures that veterans and active duty members can find eyewear that fits their style and vision requirements. The optometrists at Li and Liao Optometry are known for their expertise in fitting specialized lenses and working closely with patients to address specific visual challenges, making finding solutions that suit each individual?s lifestyle easier.
