

Rony Jacques of Realty Hub Announces Buyer Representation at Lawson Dunes in Haines City

November 05, 2024

Riverview, Florida - November 05, 2024 - PRESSADVANTAGE -

Rony Jacques, an experienced real estate expert from Realty Hub, is excited to announce his new offering of private and confidential buyer representation services for clients interested in purchasing homes in Lawson Dunes, a beautiful and vibrant community in Haines City, Florida. With a proven track record of successfully assisting clients in various exclusive locations throughout Polk County, Rony views Lawson Dunes as a natural extension of his commitment to providing exceptional service and expertise.

Rony highlights the unique appeal of Lawson Dunes, stating, "For those seeking a blend of convenience and natural beauty in Haines City, Lawson Dunes is truly an unmatched choice. My mission is to offer private and confidential representation, ensuring that every client finds their perfect home in this dynamic community." This commitment is essential in today's real estate market, where personalized guidance can make all the difference.

Lawson Dunes is designed with families in mind, featuring modern amenities set against a backdrop of

stunning natural landscapes. This residential community offers easy access to local attractions, making it an inviting environment for both individuals and families. Residents can enjoy a relaxed lifestyle while remaining close to the cultural and recreational opportunities that Central Florida has to offer. "Living in Lawson Dunes means embracing a lifestyle that balances comfort and accessibility, allowing families to thrive," Rony adds.

Among the standout features of Lawson Dunes are its impressive amenities. Rony explains, "This community offers more than just a home; it provides a lifestyle designed for families, complete with modern amenities such as a resort-style pool, dog park, and tot lot. These features create a welcoming, family-friendly atmosphere that encourages outdoor activities and fosters a sense of community." This focus on family-oriented living is what makes Lawson Dunes such an attractive option for potential homeowners.

As a specialist in new construction homes, Rony's expertise is invaluable for anyone considering a move to Lawson Dunes. With a keen understanding of the area's development and rising home values, he is well-equipped to guide clients through the often-complex process of finding their dream home. "In today's competitive market, having an experienced professional by your side is crucial. I'm here to help clients navigate their options in Lawson Dunes and ensure they find a home that perfectly meets their family's needs," he says.

In addition to his client representation services, Rony has made significant contributions to Builder Boost, a networking organization that connects new home builders with realtors. Through this platform, he has collaborated with various builders throughout Central Florida, providing insights and feedback that benefit both realtors and prospective buyers. His involvement includes participation in panels and interviews, further showcasing his expertise in the new construction market. For those interested in learning more, check out one of his recent interviews here: [Builder Boost Interview](#).

Rony's passion for real estate is deeply personal. As a husband and father of two, he understands the profound significance of finding the right home for families. "Homeownership is a vital part of building a secure future for our loved ones. I'm dedicated to helping my clients find not just a house, but a place where they can create lasting memories," he explains. His empathetic approach to client relationships sets him apart in the industry.

For those interested in exploring new construction homes and master-planned communities in Haines City, Rony is eager to assist. His dedication to client satisfaction, coupled with his extensive knowledge of the local market, makes him an ideal partner for anyone looking to make a move. Visit: <https://www.lawsondunes.com>
