CHARLOTTE, NC ? Charlotte Magazine, partnering with research firm Five Star Professional, named Amber Garchar a Five Star Real Estate Agent for 2015. This is the sixth consecutive year that Garchar, a Lake Norman Area Realtor with Lake Norman Realty, was named a Five Star Real Estate Agent.

In an annual process, Five Star Professional partners with Charlotte Magazine to identify Charlotte area real estate professionals who provide outstanding service and client satisfaction. The Five Star Professional research team contacted thousands of recent homebuyers and other consumers in the area for input. Consumers responded to the survey by phone, mail and online. They rated real estate professionals on criteria, such as overall satisfaction and whether the consumers would recommend the professional to a friend.

Garchar said, "Receiving the Five Star Professional Real Estate Award is a very big honor for me since it is one of the most important annual awards for real estate professionals in the Charlotte region. It is very satisfying to know that many people that I have assisted with their real estate transactions voted for me as one of the top Realtors in the area in delivering client satisfaction and service."

Five Star Professional named the following objective criteria for being named a 2015 Charlotte Five Star Real Estate Agent: received a qualifying client satisfaction rating; satisfied the applicable state licensing requirements; actively employed as a licensed professionals for a minimum of three years; a favorable regulatory and complaint history; satisfied minimum client volume on a one-year and three-year basis. No more than seven percent of all real estate professionals were named as award winners.
