Dundee Concrete Curb & Landscaping Expands Services to Transform Spokane Outdoors

November 12, 2024

Spokane, Washington - November 12, 2024 -
Dundee Concrete, Curb & Landscaping Spokane is rolling out an expanded range of services, showing their promise to provide complete outdoor solutions in the Spokane area. With nearly 20 years of expertise, they've been a leader in the industry, working on everything from driveways to patios. Now, they are adding new, creative outdoor features to their list of services. More detailed information about their services can be found on their website.

Dundee Concrete services a wide array of client needs, both residential and commercial. Their specialties include lawn care and spray treatments to keep lawns lush and healthy through all seasons. Known for their skill in curbing, they offer a variety of custom styles and colors to boost any property's curb appeal. This has made Dundee Concrete an integral part of the Curb & Landscaping Spokane scene, where refining outdoor areas with style and functionality is key.

Their concrete work is top-notch too, offering a variety of finishes. Whether clients want a classic broom finish or something fancier like exposed aggregate or stained concrete, Dundee has the skills. They also provide customizable stamped patterns to give your surfaces a unique look.

Their landscaping services cover everything from artificial turf to foundations and pool decks. This wide range allows Dundee to handle any client's preferences and property types. They also focus on creating functional and beautiful landscapes with pavers, stairways, and walkways.

When it comes to building walls, Dundee offers various materials and techniques, including boulder, concrete, stacked stone, and timber. These structures not only serve practical purposes but also bring a touch of class to outdoor spaces.

Their new expansion includes outdoor living features that turn yards into cozy home extensions. Offerings such as fire pits, pergolas, intricate water features, and sports courts demonstrate Dundee's commitment to enriching outdoor experiences. These efforts highlight the company's goal to create memorable, enjoyable

spaces within the Curb & Landscaping Spokane framework.

"Our team always aims to expand the potential of outdoor spaces," says Steve Felchlin from Dundee Concrete. "We are thrilled to help our customers achieve their ideal setups. This growth in our services lets us do that on an even bigger scale."

Dundee Concrete is dedicated to exceptional service, offering free estimates and consultations. This allows potential clients to receive customized insights and advice before making decisions.

As a prominent local contractor, Dundee Concrete Curb & Landscaping plays a significant role in the Spokane community. Beyond enhancing the look of properties, their quality installations and landscaping solutions add to the area's overall value and charm.

Steve Felchlin adds, "Our work transforms communities. Each project enhances both beauty and functionality, and we feel a strong obligation to those goals."

These new developments highlight the company's strong commitment to its clients and the community. Residents and businesses in Spokane can count on Dundee Concrete to help them meet their outdoor renovation goals.

With their reputation for great craftsmanship and customer service, Dundee Concrete Services Spokane continues to be a reliable choice for those seeking top-quality outdoor makeovers. Whether it's simple lawn care or a complete landscape transformation, Dundee is prepared to deliver top-notch results every step of the way.
