November 08, 2024

West Hollywood, California - November 08, 2024 -
WEST HOLLYWOOD, CA ? Positive Eye Ons, a premier optometry clinic in West Hollywood, is thrilled to announce a limited-time sale on designer frames, offering discounts of up to 70%. This highly anticipated two-day sale will take place on November 29th and 30th, giving customers an exciting opportunity to upgrade their eyewear collection with top designer brands at exceptional prices.

?Our goal has always been to make quality eyewear accessible to everyone,? said Dr. Ryan Stybel, O.D., owner of Positive Eye Ons. ?This sale allows us to offer our clients stylish, high-quality frames without breaking the bank. We?re looking forward to helping people find their perfect pair at a great price.?

Extensive Collection of Designer Frames at Unbeatable Prices

Positive Eye Ons is known for its carefully curated collection of designer frames, featuring a diverse selection of top brands and the latest trends in eyewear. Whether customers are looking for a classic, professional style or a bold, fashion-forward statement piece, the sale provides an ideal opportunity to explore a range of high-quality options. This event is designed to cater to all preferences and budgets, so clients can experience

the luxury and quality of designer frames without the usual price tag.

With discounts of up to 70%, customers will have access to premium frames that reflect a variety of personal styles, from timeless and elegant designs to trendy and contemporary options. The sale will include an impressive array of frames in different shapes, colors, and materials, allowing each client to find the perfect match to suit their personality and vision needs.

Expert Assistance and Personalized Consultations

During the two-day event, the experienced team at Positive Eye Ons will be available to assist customers in selecting frames that not only enhance their appearance but also meet their vision requirements. The clinic?s knowledgeable staff is dedicated to providing personalized guidance to each client, ensuring a seamless shopping experience that matches each individual?s unique style and functional needs.

?Our team is here to help customers find frames that feel like the perfect fit?both in terms of style and comfort,? added Dr. Stybel. ?We?re passionate about providing our clients with eyewear that helps them see clearly and feel confident.?

In addition to finding the ideal frames, customers can receive expert advice on the latest lens technologies. Positive Eye Ons offers advanced lens options, such as anti-reflective coatings, blue light filtering, and lightweight materials, to enhance visual clarity, comfort, and eye protection. These add-ons allow customers to further customize their glasses for optimal functionality.
