

## Unlock Black Friday Savings on Winch Grille Guard at Go Industries

*November 25, 2024*

Richardson, TX - November 25, 2024 - PRESSADVANTAGE -

Go Industries Inc. is gearing up for its Black Friday sale, with a 10% discount on all products from November 25th to December 1st, 2024. Shoppers can snag deals by entering "turkey24" at checkout. This discount spans across various products, including the well-known winch grille guard, which is designed to boost vehicle protection. For more details on their truck protection solutions, visit the Go Industries website.

The winch grille guard stands out as a top product for Go Industries. It's made with 5/16 laser-cut steel uprights and 2.5" 16-gauge steel cross tubes, which add both strength and long-lasting performance. Thanks to its modular design, customers can customize it with Brush Guards and Winch Carriers. These add-ons include Brush Guards that offer extra headlight protection from debris and Winch Carriers that come in capacities of 9.5 or 16.5, catering to different needs.

As the CEO of Go Industries puts it, "Our Black Friday event gives customers a chance to access superior vehicle accessories at reduced prices. We believe in the effectiveness and durability of our winch grille guard

and are proud to offer it as a key feature of our promotion." This sale underlines the company's dedication to making top-notch vehicle accessories more affordable for everyone. Since 1978, Go Industries has served the automotive world, continuously expanding its product selection to meet the needs of truck owners, law enforcement agencies, and custom manufacturing clients.

Known for specializing in truck accessories, Go Industries provides solutions for both the front and rear ends of vehicles. Their lineup includes Rancher Grille Guards, Pro Series Bumpers, and Flat Iron Headache Racks, among others. Each product, like the winch grille guard, is crafted to endure tough conditions while boosting vehicle protection and utility.

For police vehicles, Go Industries offers custom equipment tailored for models from Chevrolet, Ford, and Dodge. These include accessories like skid plates, which are crucial for off-road safety and enhancing vehicle life, making them vital for many law enforcement fleets. Learn more about their law enforcement vehicle solutions on their website.

Go Industries also accommodates unique customer needs through custom manufacturing. Clients looking for personalized solutions can rely on the company's expertise in developing products to match their specific requirements, demonstrating Go Industries' versatility and dedication to customer satisfaction.

With a wide array of options and innovative designs based on solid manufacturing techniques, Go Industries has achieved platinum status with SEMA, a sign of outstanding service and quality. The company also embraces new technologies by accepting cryptocurrencies, reflecting its aim to streamline transactions and appeal to modern payment methods, further enhancing customer accessibility. Discover their innovative product offerings and payment options today.

Matthew Larson, a senior representative of Go Industries, remarked, "We are particularly excited about the Black Friday sale as it highlights our commitment to providing customers with unmatched value and performance. Our winch grille guard is an example of American craftsmanship, proudly produced in the USA, and this sale allows even more customers to experience its benefits firsthand." This statement emphasizes the company's focus on offering reliable, durable, and American-made products.

Interested customers can explore Go Industries' offerings on their website. The sale period is an ideal opportunity for shoppers considering investing in truck accessories or tailored law enforcement gear.

The Black Friday sale by Go Industries is about more than discounts; it represents the company's ongoing commitment to quality and customer satisfaction. With their range of products, customers are likely to find incredible solutions while enjoying significant savings during the holiday season.

For more information, the Go Industries website features detailed product descriptions, user guides, warranty details, and contact options for sales and technical support. Check out the winch grille guard page to learn more and explore purchase options, as it plays a key role in Go Industries' lineup for this sale event.
