

## Mills Heating & Air Honors Military Hero & Family with HVAC Giveaway

November 26, 2024

Fort Walton Beach, Florida - November 26, 2024 - PRESSADVANTAGE -

Mills Heating & Darry; Air is thrilled to announce that Sara Rico has been chosen to receive a new HVAC system as part of its annual community initiative. Sara, who was nominated by her daughter Yasmin, served in the Air Force for 23 years and retired recently for medical reasons. Now, she uses the same strength and perseverance from her military service to tackle the challenges of everyday life.

Sara is a single mom who has shown extraordinary determination in balancing her responsibilities and overcoming obstacles. Her unwavering commitment to her family is a reflection of her dedication during her military career. This recognition is a small gesture of gratitude for the sacrifices she has made.

"Mills Heating & Department of the community and its heroes. We are honored to serve someone as resilient and dedicated to public service as Sara," said Amber Jeter from Mills Heating & Department of the story of service and her current role as a mother inspire us all.

Through this initiative, Mills Heating & Damp; Air aims to honor those who have made significant contributions through service and sacrifice. By recognizing these efforts, the company hopes to ease the burdens faced by

community members like Sara. The new HVAC system will greatly improve her home's living conditions, providing a much-needed relief from the daily challenges she encounters.

Yasmin, Sara's daughter, expresses immense pride in her mother's recognition. "I am incredibly proud of my mom," Yasmin shared. "She has always put others first, and it's truly heartening to see her appreciated for her service and dedication both to our country and our family."
