Southern California limousine service Century Limousine has announced a new party bus rental service. The company has recently revealed the addition of two party buses for rental, including their Mercedes party bus.

Joseph Babakhanyan, a co-founder of Century Limousine, recently stated that, "We are proud to be offering party bus rentals to those in Southern California, and we're sure that we have the perfect rental for every occasion." He points out that their new party buses are designed to offer a luxurious ride for those who want a unique day or evening of celebration.

The company currently has two outstanding party buses for rent, and Babakhanyan explains that the right one will depend on the size of the party in question. The 2015 Mercedes party bus is a luxurious vehicle that includes a leather interior, a wet bar with refreshments, an Apple TV in addition to two flat screen televisions, and a sound system. This bus seats up to 12 guests comfortably and offers a host of other amenities.

The second bus can seat up to 36 guests and includes all of the same amenities offered in the smaller Mercedes bus, but with more room. The wet bar, sound system, and more are all offered on both buses. The

company caters to corporations as well as personal parties such as weddings, proms, and a number of other special occasions.

Babakhanyan states, "All of our drivers are certified and licensed and we hire only the safest and most reliable, so you know you are going to reach where you're going safely and in style."

In addition to the new party bus rentals, Century Limousine also provides rentals of limousines for proms, weddings, and other events, as well as town cars. Babakhanyan states that they can effectively accommodate parties of any size, up to the 36-passenger party bus. They serve clients throughout Los Angeles, Orange County, Ventura and Santa Barbara.

Those who are interested in learning more about the new party bus rentals, or who would like to schedule a ride can visit the company on their official website at centurylimos.com.
