Portslade, UK ? Studio 9 Design, a leading interior design consultancy based in Portslade, has expanded its bespoke services to East Sussex, West Sussex, Brighton, and Hove. Specializing in high-end residential, hotel, and commercial interiors, they now bring their expertise and creativity to a wider regional audience.

Founded by Alice Adamczewski, Studio 9 Design has earned a reputation for crafting elegant functional interiors that exceed client expectations. Their expansion into East Sussex, West Sussex, Brighton, and Hove allows residents and businesses in these areas to benefit from their renowned turnkey service, covering every stage of the design process, from concept to completion.

Alice Adamczewski, Founder and Director of Studio 9 Design, expressed excitement about the expansion, stating, "Studio 9 Design is thrilled to bring its expertise to a broader market. The goal is to provide beautifully designed spaces that enhance clients' lives and work. Expanding into East Sussex, West Sussex, Brighton, and Hove allows the team to collaborate with new clients seeking high-quality, bespoke interior design solutions.

Studio 9 Design offers a full range of design services, specialising in high-end residential design, hotel interiors, and commercial spaces. The firm's bespoke design solutions add significant value to properties through optimized spatial design, customized furniture, and attention to detail. From family homes to luxury hotels, the company is committed to creating spaces that are not only visually stunning but also highly functional.

In addition to residential and hospitality projects, Studio 9 Design excels in designing commercial interiors that reflect a brand?s identity while improving operational efficiency. The firm has worked with various businesses, including restaurants, offices, and retail spaces, ensuring each project is tailored to the client's unique needs and vision.

One of Studio 9 Design's core services is its turnkey service, where the company manages every stage of the design process. This includes architectural services, spatial planning, bespoke joinery, and furniture procurement. Clients can rely on Studio 9 Design to handle all aspects of the project, ensuring a seamless and stress-free experience.

?Studio 9 Design takes pride in offering a complete service,? said Adamczewski. Clients can trust the team to oversee every detail, from the early planning to installation. This approach allows clients to focus on other priorities while their vision is brought to life.

The decision to expand into East Sussex and West Sussex comes when demand for high-quality, customised interior design services grows in these regions. Both counties offer a mix of picturesque countryside, historic towns, and coastal communities, making them attractive locations for high-end residential and commercial projects.

Studio 9 Design?s expansion into these areas will allow residents and businesses in Shoreham, Worthing, Hove, and other towns to access the firm?s expert design services. These locations are known for their blend of traditional architecture and modern development, making them ideal settings for Studio 9 Design?s bespoke, detail-oriented approach.

With its proximity to Brighton, Studio 9 Design is also excited to expand its services to this vibrant city. Brighton is known for its artistic culture, lively atmosphere, and iconic seafront, making it a residential and commercial development hub. Studio 9 Design aims to offer its expertise to local homeowners and businesses looking to transform their spaces. ?Brighton has such a unique character, and Studio 9 Design is excited to be a part of that,? said Adamczewski. Whether designing a high-end home overlooking the sea or creating an inviting, functional space for a new business, the team is eager to bring their skills to this dynamic city.

Studio 9 Design is also committed to incorporating sustainable practices in every project. The firm prioritises using environmentally friendly materials, energy-efficient solutions and designs that align with the latest sustainability trends. This focus on eco-friendly practices has earned them praise for their forward-thinking approach, particularly in regions like East Sussex and West Sussex, where environmental conservation is highly valued.

Founded by Alice Adamczewski, Studio 9 Design is a multi-disciplinary interior design consultancy offering bespoke services for residential, commercial, and hospitality projects. With over 40 years of combined experience, the firm?s team of expert designers has completed projects ranging from luxury homes to boutique hotels and commercial spaces. Studio 9 Design offers a complete turnkey service, overseeing all aspects of the design process to ensure seamless, stress-free project management. The firm?s commitment to adding value through optimised spatial design and customised solutions has made it a trusted name in the industry.
