

KCS Kitchener Cleaning Services Announces Launch of Post-Construction and Post-Renovation Cleaning Services in Cambridge, Ontario

December 09, 2024

CAMBRIDGE, ON - December 09, 2024 -

Cambridge, ON ? KCS Kitchener Cleaning Services, a locally owned cleaning company specializing in residential and commercial cleaning in Cambridge, Kitchener, Waterloo, and Guelph, is expanding its service offerings with the introduction of Post-Construction and Post-Renovation Cleaning. As Cambridge continues to thrive with new developments, this service meets the growing demand for thorough, professional cleaning to ensure freshly built or renovated spaces are move-in ready and impeccably clean.

Post-construction and post-renovation cleaning often present unique challenges for homeowners, contractors, and property managers. Dust, debris, and residual materials left behind after a build or remodel can make a newly completed space feel unfinished. KCS Kitchener Cleaning Services aims to fill this gap by providing a solution that ensures properties are cleaned thoroughly and move-in ready, allowing clients to enjoy their updated spaces without the hassle of extensive cleanup.

?Construction and renovation projects are exciting, but they can leave behind a significant mess that needs to be addressed before anyone can fully enjoy the space,? said Nathali Garcia, owner and founder of KCS Kitchener Cleaning Services. ?Our Post-Construction and Post-Renovation Cleaning service is designed to help our clients navigate this final step. We take care of the dust, debris, and fine particles that tend to linger long after the builders have left, ensuring that every surface is clean, safe, and ready for use.?

The Post-Construction and Post-Renovation Cleaning service offers a comprehensive approach to cleaning newly constructed or renovated spaces. From residential homes to commercial properties, KCS?s team of trained cleaners ensures that all areas are meticulously cleaned, with particular attention given to removing the fine dust and particles often left behind after construction work. This includes cleaning surfaces such as floors, walls, windowsills, countertops and more detailed attention to high-traffic areas like kitchens and bathrooms, which can accumulate significant dust during construction projects.

?Construction dust can be persistent, settling in places that people might not initially notice,? Garcia added. ?Our goal is to ensure that our clients don?t have to worry about that. Whether it?s a residential renovation or a commercial construction project, we want to help our clients move into their new or renovated space without any concerns about the cleanliness of their environment.?

KCS Kitchener Cleaning Services provides all necessary cleaning supplies and equipment, using high-quality, eco-friendly products to ensure a safe and effective cleaning process. By adhering to environmentally conscious practices, KCS aligns its new service with its ongoing commitment to sustainability. The company?s use of non-toxic cleaning products ensures that newly completed spaces are clean and free from harmful chemicals that could affect the indoor air quality or the health of future occupants.

?We understand that every construction project is different, and so are the cleaning requirements,? said Garcia. ?Some properties might only need a light cleanup, while others may require more extensive attention due to the nature of the construction work. That?s why we offer a flexible approach that can be adapted to meet the needs of any project, big or small. Our goal is to make sure that the final result is a clean, welcoming space, ready for immediate use.?

KCS Kitchener Cleaning Services continues to build its reputation for high-quality cleaning services, helping clients enjoy clean, comfortable, and inviting spaces after construction or renovation. With a focus on client satisfaction and environmental responsibility, the company remains committed to meeting the cleaning needs of its community, one project at a time.
