

Tamarack Resort Celebrates 20th Anniversary with November 29 Ski Season Opening

November 22, 2024

November 22, 2024 - PRESSADVANTAGE -

Tamarack Resort in Idaho is thrilled to announce the opening of its 2024-2025 ski season on Friday, November 29, 2024, at 9:00 AM. This year marks a significant milestone for the resort as it celebrates its 20th anniversary, two decades of creating unforgettable winter adventures in Idaho's stunning mountains.

Reports are already predicting above-average snowfall for this winter, setting the stage for an unforgettable ski season at Tamarack Resort. With the promise of deep powder days and pristine slopes, there's no better time to invest in a Boundless Ski Pass. Offering unlimited access to the mountain all season long, the Boundless Pass ensures you won't miss a moment of the action, from fresh tracks on powder mornings to bluebird skies on the Summit Express. As Tamarack opens earlier than ever, pass holders will have the exclusive advantage of making the most of what promises to be a record-breaking season of snowfall and adventure. This year is shaping up to be a skier's dream, and the Boundless Pass is your ticket to experiencing it all.

The Tamarack Express, Summit Express, and Discovery Chairlift will kick off operations, offering skiers and snowboarders access to some of the best terrain in the region. These chairlifts will operate seven days a week, weather permitting, ensuring visitors can enjoy a seamless winter experience from opening day onward. Tamarack's expanded terrain now includes 1,530 acres of skiable slopes across 2,800 vertical feet, featuring 56 named trails that range from groomers and glades to bowls and steeps. With early-season snowfall and upgraded snowmaking capabilities, the resort is ready to deliver exceptional powder days throughout the season.

As part of the 20th-anniversary celebrations, Tamarack Resort is hosting special events and activities to honor this milestone. A mid-mountain celebration is planned for December 15, 2024, where guests can enjoy live music, exclusive dining, and community festivities. Additionally, Tamarack will offer Learn to Ski/Snowboard Day specials to encourage newcomers to hit the slopes and discover the joy of Idaho skiing and snowboarding.

Tamarack's newest feature, the Mid-Mountain Lodge, will debut this season. Perched atop the Tamarack Express chairlift, the 12,000-square-foot lodge features a sprawling deck with breathtaking views of The Village at Tamarack, the West Central Mountains, and Lake Cascade. Guests can look forward to premium dining options and a spectacular event venue that enhances the resort's already impressive amenities.

Lift tickets and Boundless Passes are available now, offering flexible options for both day visitors and season-long adventurers. The Boundless Pass provides year-round access to skiing, snowboarding, downhill biking, and summer lift rides, along with discounts on lessons, rentals, and more. With pricing options for all ages, the pass is an excellent way to experience everything Tamarack Resort has to offer.

Visitors can take advantage of Tamarack's enhanced guest services, which include gear rentals, professional lessons, and specialized clinics. Whether it's a family trying skiing for the first time or advanced skiers looking to refine their technique, Tamarack's Sports School offers private and group lessons for all skill levels. Led by Olympian Erik Fisher, the school also features camps and clinics in Nordic skiing, snow biking, and backcountry exploration.

After an exhilarating day on the slopes, guests can unwind at Tamarack's après-ski venues. Dining options in The Village at Tamarack, such as the Seven Devils Taphouse and The Reserve, have been refreshed with innovative menus crafted by Executive Chef Steven Topples, bringing elevated culinary experiences to the resort.

Family-friendly activities extend beyond the slopes, with Tamarack's new Basecamp daycare and activity center offering outdoor adventures like sledding, snowshoeing, and Nordic skiing for children up to 12 years old. Parents can enjoy après-ski activities while kids engage in supervised fun during Après Basecamp hours.

Located just 90 miles north of Boise, Tamarack Resort is a premier destination for winter sports enthusiasts and vacationers alike. Surrounded by the natural beauty of Idaho's mountains, this independent resort combines world-class skiing with the charm of a welcoming alpine village. With its extensive terrain, modern amenities, and commitment to sustainability, Tamarack offers an unmatched experience for those seeking adventure and relaxation.

This season is not only an opportunity to celebrate Tamarack Resort's rich history but also a chance to embrace the joy of the mountains. Guests are encouraged to plan their visit, secure accommodations, and get ready to create memories on the slopes. For more information on lift tickets, Boundless Passes, and all Tamarack has to offer, visit tamarackidaho.com or call 208.325.1000.
