

# Atlanta Alarms Announces Zero Cost Installation

*January 19, 2016*

January 19, 2016 - PRESSADVANTAGE -

Atlanta Alarms is pleased to announce it is providing zero cost installation on all of its products, while customers pay nothing out of pocket for 60 days after their purchase. It is also offering free quotes on all installations and fire and burglar alarms as well as security cameras.

Customers now avoid paying large up-front costs. The most modern, high quality electronics are used while all company specialists are trained and properly licensed. From business security to medical alert systems, Atlanta Alarms is equipped for the job. Contact the company online and they call with a quote and bonus coupon within 10 minutes.

Get a quality alarm system installed for free and don't pay anything for 60 days, by going to [www.atlantaalarms.org](http://www.atlantaalarms.org).

About Atlanta Alarms

Atlanta Alarms employs trained, qualified, licensed specialists who install home and business security systems, wireless security systems, monitoring technology, home automation products, and medical alert services.
