

Miami Roofing Repair Celebrates Successful 2015

January 19, 2016

January 19, 2016 - PRESSADVANTAGE -

Leading South Florida roofing repair, installations company announces record breaking year.

The team at Miami Roofing Repair is proud to announce a record breaking 2015. Last year, the leading South Florida roofing repair and installation company had unparalleled growth and is excited to continue that trend in 2016.

Miami Roofing Repair says it aims to expand in commercial roofing, in both the areas of commercial roof repairs and full scale replacements. "It's one area we feel is under-represented in the South Florida roofing market and we are looking to fill that gap," said the Miami Roofing Repair team.

The company offers residential and commercial roofing repair and installations, including insulation, tile roof, metal roof, impact resistance roof, stone-coated steel roof, and more. Further information can be found at <http://miamiroofingrepair.org/>.
