

# **CertaPet Becomes First BBB Accredited Emotional Support Animal Service**

*January 19, 2016*

January 19, 2016 - PRESSADVANTAGE -

CertaPet connects patients with licensed medical professionals who can write recommendations for emotional support animals.

The team at CertaPet is pleased to announce that they are the first emotional support animal service to become accredited by the Better Business Bureau.

CertaPet received their BBB accreditation on January 4, 2016, and the company is proud to have another badge of honor to offer its clients. CertaPet connects patients with licensed mental health professionals who can write recommendations for emotional support animals.

CertaPet also offers resources to help patients navigate through the legal process of acquiring an emotional support animal. Further details about the service can be found at <https://www.certapet.com/>.

About CertaPet

CertaPet is an online portal that connects patients with licensed mental health professionals who can write recommendations for emotional support animals.
