Tuinplantenwinkel Celebrates 2500+ Reviews, High Ratings

January 19, 2016

January 19, 2016 -
Leading plant and tree center also plans expansion.

The staff at Tuinplantenwinkel is pleased to announce that they have reached more than 2,5000 quality reviews and a high rating of 9.3. The leading tree and plant center has tens of thousands of customers yearly with an average of 2,000 products in-store and sold daily.

While Tuinplantenwinkel is a leader in The Netherlands and Belgium, the company is planning to expand to global sales soon. The company offers perennials, shrubbery, creepers, trees, fruit, and more via their website and in-store.

Tuinplantenwinkel is proud to offer premium quality house and outdoor plants backed by world-class customer care. More information can be found at http://www.tuinplantenwinkel.nl/.
