February 25, 2016 - PRESSADVANTAGE -

Your Jamaican Tour Guide, a tour company in Montego Bay, Jamaica, is proud to announce that they now offer a new VIP service for Montego Bay Jamaica Airport. The premium Montego Bay Jamaica airport transfer service is proving to be incredibly popular with tourists as well as business people.

Alrick Allen from Your Jamaican Tour Guide says: "We have developed a premium package for arrivals and departures alike. Our service is a private transfer for guests and their family only, using clean vehicles with lovely cold air conditioning. This new service includes the 'Club Mobay' experience as part of the package."

Those who sign up for the service will be greeted at the airport by the Club Mobay team, who will hold a sign with the guest's name. They will remain with their guests throughout their time in the airport. During this time, guests will have privy to a "fast track" through security and immigration. This will save the guest time and

frustration with long lines at customs.

Once the guest is completed with the customs process, they proceed to the waiting lounge where they will receive complimentary snacks and refreshments and they will be able to use the fully equipped Digicel business center. Full details about Club Mobay are available at <http://yourjamaicantourguide.com/club-mobay/>.

Once the guest is ready to leave the lounge, the Club Mobay team will contact Your Jamaican Tour Guide to let them know their guests are ready to depart. Your Jamaican Tour Guide gathers the guest and their luggage into their clean, air conditioned vehicle. During the transport, guests are provided with complimentary snacks and refreshments. They also have the opportunity to stop along the way at local fruit stands, get a bite to eat or stop for some shopping along the way.

"Our premium airport service is a great addition to our offerings. With all of our packages, we give the option for guest to upgrade to Premium if they really want the VIP experience," said Mr. Allen

People are also encouraged to like the company's Facebook page on <https://www.facebook.com/yourjamaicantourguide> to view more information about the service, the Club Mobay and hear about other people's experiences.
