

IMC Recognized in Jacksonville Business Journal?s 2024 Book of Lists

December 13, 2024

December 13, 2024 -
International Management Company, LLC (IMC), a leading commercial real estate agency in Northeast Florida, is honored to have been recognized in three categories in the Jacksonville Business Journal?s (JBJ) annual Book of Lists rankings.

The firm?s outstanding achievements in commercial real estate have earned it top spots in the following categories:

Top CRE Brokerage Firms ? International Management Company achieved a total of $44.91 million in sales and leases, securing the #9 position on JBJ's list of top commercial real estate brokerage firms.

Leading Commercial Property Management Firms ? The company continues to manage over 1 million square feet of office and retail space, earning it the #11 ranking among commercial property management firms in the region. IMC?s expertise in maintaining high-quality properties and fostering long-term relationships with

tenants has been key to its continued success in this sector.

Top Tenant Improvement Contractors ? With $17 million in commercial build-outs and remodeling projects, International Management Company was ranked #7 in the tenant improvement contractor category.

?We are extremely proud to be recognized across these diverse categories by the Jacksonville Business Journal?s 2024 Book of Lists,? said Brett McKee, Vice President of Property Services at IMC. ?This recognition highlights the expertise, dedication, and hard work of our entire team, and reflects our ongoing commitment to delivering exceptional real estate services to businesses in Northeast Florida.?

This recognition further solidifies IMC?s leadership in the commercial real estate sector, showcasing its proven market position and unwavering dedication to meeting the diverse needs of clients across the region.

The firm?s exceptional track record, spanning multiple service areas, continues to build a solid foundation for long-term success and stability in the industry.

Founded and based in Jacksonville, Florida, International Management Company continues to expand its influence in the region, serving a diverse client base with comprehensive services including brokerage, property management, and construction.

The firm?s broad range of expertise allows it to meet the evolving needs of its clients, helping them achieve long-term success in the competitive commercial real estate market.

?Our team?s commitment to providing tailored, results-driven solutions is at the core of our success,? McKee continued. ?Being recognized by the Jacksonville Business Journal in these categories is a testament to the strong relationships we?ve built with our clients and the value we bring to the commercial real estate community.?

With a proven track record and a focus on personalized service, International Management Company continues to grow and provide essential services to businesses across the region.

The firm?s ability to navigate the complexities of real estate management and development positions it as a trusted partner for clients looking to maximize the potential of their commercial spaces.
