Dundee Concrete Curb & Landscaping Expands Services for Premier Outdoor Transformations in Spokane

December 27, 2024

Spokane, Washington - December 27, 2024 -
Dundee Concrete Curb & Landscaping, a well-regarded contractor in Spokane, has announced they're broadening their services. With nearly two decades in the business, Dundee Curb & Landscaping Spokane WA is committed to quality and cutting-edge outdoor transformations. Their services include lawn and spray services, curbing, concrete work, comprehensive landscaping, wall construction, and outdoor living installations.

Dundee Curb & Landscaping has become a community staple, known for high-quality installations like driveways and patios. They focus on aligning their work with each client's ideas and needs. By expanding their services, Dundee aims to lead the way in offering all-around solutions for outdoor spaces.

Steve Felchlin, CEO of Dundee Concrete Curb & Landscaping, shared his excitement about the expansion. "We take pride in our ability to adapt and meet our clients' needs," he said. "The expansion allows us to offer more options to our valued customers, providing them with top-notch quality and service."

Their lawn and spray services play a key role in keeping lawns lush throughout the year. For curbing, Dundee offers varied styles and colors to boost curb appeal. Options range from stamped to custom designs, giving each project a unique touch.

In concrete installation, Dundee's expertise includes everything from standard finishes to specialized options like stamped concrete. They offer finishes such as broom, exposed aggregate, and sand wash. Clients can choose from patterns like Belgium slate, cobblestone, and custom options, all crafted by Dundee's experienced team.

Their landscaping services include artificial turf, foundations, pool decks, driveways, and path paving. Dundee Curb & Landscaping stays updated with the latest landscaping technology and materials,

ensuring customers have the best options available.

Wall construction services?such as block and boulder walls or stacked stone and timber walls?meet both aesthetic and structural needs. These options offer durable solutions tailored to each property.

Dundee also provides outdoor living installations, including fire pits, patios, pergolas, water features, and sports courts. These offerings give clients creative and functional entertainment and relaxation spaces.

Felchlin noted, "Outdoor living spaces are in demand. We're thrilled to offer services that create these popular retreats right in our clients' backyards." Dundee's drive for improvement and innovation has made it a leader in outdoor installations.

The expansion highlights Dundee's commitment to exceed client expectations. Their smooth addition of new services ensures a well-rounded approach to each project, regardless of size.

Dundee Curb & Landscaping has a strong reputation for quality and customized customer service. They focus on delivering a personalized experience to help clients bring their visions to life.

The growth of their service offerings is a big step in Dundee Curb & Landscaping's mission to transform outdoor spaces in Spokane. These new services aim to create more beautiful, functional, and personalized living areas for their clients.

For more details on their services, those interested can visit their Google Maps page at Dundee Curb & Landscaping Spokane WA. Their online presence ensures their future clients can easily access their services and see examples of their completed projects.

By continuing to expand their offerings, Dundee Concrete Curb & Landscaping is dedicated to helping Spokane residents turn ordinary backyards into enjoyable outdoor spaces.
