

TPG - The Plant Gallery's Garden Center Is Moving and Offering Major Discounts on Almost Everything in Their Store

December 19, 2024

December 19, 2024 - PRESSADVANTAGE -

TPG - The Plant Gallery is excited to announce their Garden Center is moving. They are starting this new chapter with a moving sale beginning on Friday, December 13, with 35% off almost everything, including plants, garden essentials, Christmas decorations, and more.

While the Garden Center is relocating, TPG - The Plant Gallery wants to reassure customers that its core services remain unchanged. Two years ago, TPG - The Plant Gallery purchased 1620 Airline Drive in Metairie, where they currently house their other divisions, including landscaping, maintenance, floral, events, and rentals. From this location, TPG - The Plant Gallery remains fully prepared to provide the same quality service and creative expertise that clients have come to trust.

The company encourages customers to use its social media channels to stay informed about the Garden Center's transition, upcoming sales, and updates. TPG - The Plant Gallery remains committed to serving the

community and looks forward to continuing to bring beauty and inspiration to its customers.

“While we are building out our new location, we are still serving the New Orleans Metro area with landscaping, maintenance, plant rentals, weddings, floral, and commercial services,” said Ashton Rabalais, Vice President. “Our commitment to serving the community remains as strong as ever, and we look forward to creating even more amazing experiences together.”

TPG - The Plant Gallery offers comprehensive New Orleans landscaping services designed to transform any outdoor space into a thriving, beautiful landscape. Whether it’s a complete redesign or an enhancement of existing features, TPG - The Plant Gallery ensures each project balances creativity and practicality. Beyond design, their services include landscape lighting to highlight garden accents and ensure walkways are illuminated and advanced irrigation systems that automate watering schedules for optimal plant health.

TPG - The Plant Gallery offers custom floral arrangements for various events, including weddings, corporate gatherings, and memorial services. They work with clients to create thoughtful designs that align with the event’s theme, colors, and needs. From bridal bouquets to centerpieces and funeral tributes, the arrangements are crafted to suit each occasion. TPG - The Plant Gallery also provides event rentals, such as plant rentals, candles, and uplighting, to help create a cohesive atmosphere.

TPG - The Plant Gallery’s plant rental services for events in New Orleans provide an elegant and cost-effective way to enhance any venue. Their extensive selection includes live, potted plants such as seasonal color, tropical foliage, and potted trees, all maintained to ensure a polished and vibrant appearance. From NFL events and corporate gatherings to holiday parties and graduation celebrations, TPG - The Plant Gallery’s plant rentals add natural warmth and sophistication to both formal and casual occasions. With delivery, setup, and takedown handled by their team, clients can enjoy a hassle-free experience while creating a memorable atmosphere.

TPG - The Plant Gallery provides professional Christmas decorating services for businesses throughout New Orleans, including iconic hotels such as The Roosevelt and The Ritz-Carlton. Their team specializes in transforming spaces into festive displays, from elegant trees and poinsettia arrangements to custom holiday décor that enhances lobbies, landscapes, and interiors. The team also offers tailored options for corporate gifting, such as delivering poinsettias or decorated floral arrangements to clients. With experience designing holiday displays for some of the city’s most recognized establishments, TPG - The Plant Gallery ensures businesses can celebrate the season with style and sophistication.
