

ProSaver App Helps Users Find Trusted Pro Services, 5% Cash Back

January 19, 2016

January 19, 2016 - PRESSADVANTAGE -

The newly launched ProSaver App is now available for users in the Atlanta, Georgia, area, and it will be available in other areas in the near future.

The app can be downloaded for free via Google Play or Apple iTunes, and once installed, it helps users locate local services. Users can find trusted professionals in categories such as home security, plumbing, limos, home remodeling, auto mechanics, and more. Then, users get to take advantage of 5% cash back on their services.

If users need advice, they can text or call the staff at ProSaver App, and they can expect a response within 10 minutes.

To get started, users simply choose a category, see ratings and reviews, choose a pro, upload their invoice, earn their 5% cash back, and cash out or donate their earnings. More information can be found at <http://prosaverapp.com/>.

About ProSaver App

The ProSaver App lets users find trusted professional services in their area while offering 5% cash back.
