La Habra, CA -- Arts by Aesthetics brings you the next generation of fitness apparel. For the first time, you can find fitness apparel for your workout that was designed by proud gym rats, who wanted to look good while feeling good.

"There's so much workout apparel out there that either isn't comfortable or doesn't look good. I wanted to remedy that with Art by Aesthetics," says company founder Antoine Saba. "This is fitness apparel that's not only comfortable, but apparel that you can be comfortable wearing outside of the gym."

Art by Aesthetics workout clothing was designed to be comfortable, authentic and is made for people striving to make themselves better each and every day.

The company's entire catalog of workout wear is available at artbyaesthetics.com. Their lines feature both men's and women's apparel in t-shirts, tank tops, pants, outerwear and headgear. Orders are shipped directly to your door and shipping is worldwide.

Art by Aesthetics is more than a fresh and innovative gym wear company. It is a fitness movement. Come join the wave.

About Art by Aesthetics: Art by Aesthetics is a California lifestyle apparel company started by people living the lifestyle. They promise to offer apparel that never tires of being innovative and stylish.
