

How Much Does a Landscaped Garden Add to House Value in the UK

January 06, 2025

January 06, 2025 -
Aaron Robinson Landscape Gardeners is excited to announce the expansion of its services in Bedford and the surrounding areas. With over 25 years of experience in landscaping and grounds maintenance, the company is well-known for delivering bespoke garden designs and expert maintenance services to both domestic and commercial clients. Homeowners in Bedfordshire can now benefit from minimal wait times, thanks to the locally based team that prioritises availability and efficiency.

"A beautifully landscaped garden does more than just enhance your home?s aesthetics ? it significantly contributes to its market value," said Aaron Robinson, owner of Aaron Robinson Landscape Gardeners. "Our team is dedicated to helping homeowners create outdoor spaces that are not only functional but also highly attractive to potential buyers."

One of the most common questions posed by clients is, "How much does a landscaped garden add to house value in the UK?" Studies show that a well-designed garden can increase property value by up to 20%. A

carefully curated outdoor space offers a variety of benefits, from improving kerb appeal to creating a more inviting environment for entertaining or relaxation.

Aaron Robinson Landscape Gardeners addresses this demand by offering a comprehensive range of landscaping services, including bespoke garden designs, patio construction, decking installation, and outdoor lighting. "Our clients frequently tell us how much they enjoy the results of their garden transformations. One recent review highlighted how our services helped them sell their property above the asking price," added Aaron Robinson.

The newly expanded service, Land Gardeners Bedford, is tailored to meet the specific needs of Bedfordshire homeowners, offering bespoke garden designs that reflect each client?s unique vision, whether they desire a tranquil retreat or a vibrant entertaining area. With an experienced team of RHS-trained gardeners and skilled site supervisors, every project is executed with unparalleled expertise and professionalism. As a locally based team, Aaron Robinson Landscape Gardeners ensures minimal wait times, allowing clients to enjoy their transformed outdoor spaces sooner. Additionally, the service includes comprehensive maintenance, covering everything from regular grass cutting and hedge trimming to planting and seasonal clean-ups, ensuring each garden remains beautiful and functional year-round.

"Aaron Robinson Landscape Gardeners exceeded our expectations. The team was professional, efficient, and the results are stunning!" said one client from Bedford. Another homeowner shared, "Their work added so much value to our property. Prospective buyers were particularly impressed by the garden."

These glowing reviews reflect the company?s commitment to quality and customer satisfaction. "Our clients are at the heart of everything we do, and their feedback inspires us to continually raise the standard of our services," said Aaron Robinson.

Founded over 25 years ago, Aaron Robinson Landscape Gardeners has built a reputation for excellence in landscaping and grounds maintenance. The company offers a wide range of services, including domestic landscaping, commercial landscaping, and specialist services such as tree pruning, irrigation, and drainage. Licensed and insured, the team ensures every project complies with industry standards, providing peace of mind to clients.

Serving areas across Northampton, Bedfordshire, and parts of London, including South Kensington and Wimbledon, the company caters to residential clients, businesses, councils, and organisations. Whether transforming small gardens or maintaining large commercial estates, Aaron Robinson Landscape Gardeners delivers solutions that combine creativity, functionality, and sustainability.

"Landscaping is an investment that pays dividends in both the enjoyment of your outdoor space and the potential return when it?s time to sell," said Aaron Robinson. "We?re here to help Bedfordshire homeowners unlock the full potential of their gardens."
