January 21, 2025 -
Cherry Hill, NJ - North American Spine and Pain Consultants (NASPAC) is proud to announce the opening of its newest location in Cherry Hill, New Jersey. Renowned for its commitment to delivering innovative and compassionate care, NASPAC?s expansion to Cherry Hill underscores its mission to provide effective, patient-centered solutions for those living with chronic pain.

This new facility, conveniently located at 1601 Kings Hwy N Suite 800, Cherry Hill Township, NJ 08034, is designed to meet the growing demand for comprehensive pain management services in the Cherry Hill area. With a multidisciplinary approach that integrates advanced medical technologies and evidence-based practices, NASPAC aims to improve the quality of life for individuals struggling with conditions such as back pain, neck pain, joint pain, and other chronic pain disorders.

The Cherry Hill location will offer a wide range of services, including interventional pain management procedures, medication management, physical therapy referrals, and personalized treatment plans tailored to each patient?s unique needs. The facility is equipped with state-of-the-art technology to ensure the highest standards of care and safety.

Leading the team at the Cherry Hill location is a group of board-certified pain management specialists with extensive experience in diagnosing and treating complex pain conditions. These dedicated professionals are committed to delivering compassionate care while employing cutting-edge techniques such as epidural steroid injections, nerve blocks, radiofrequency ablation, and spinal cord stimulation.

?We are thrilled to bring our expertise to Cherry Hill and serve the community with the highest level of care,? said a representative of North American Spine and Pain Consultants. ?Our goal is to empower patients by

alleviating their pain and helping them regain control of their lives.?

NASPAC has established a reputation for excellence through its patient-focused approach, which emphasizes thorough evaluations, open communication, and collaborative decision-making. By prioritizing the individual needs and goals of each patient, the practice has become a trusted resource for pain relief and management.

The Cherry Hill location reflects NASPAC?s ongoing commitment to expanding access to high-quality pain management services across the region. As part of this initiative, the practice is dedicated to fostering strong relationships with local healthcare providers, ensuring seamless coordination of care for its patients.

In addition to Cherry Hill, this new clinic serves patients in nearby communities, including Haddonfield, Collingswood, Pennsauken, Audubon, Camden, Gloucester City, Bellmawr, Lindenwold, Woodbury, Willingboro, Pine Hill, Mount Laurel, Runnemede, Somerdale, West Deptford, Oaklyn, Mt. Ephraim, Springdale, and Barclay. This broad reach ensures that patients across South Jersey have access to the compassionate, innovative care that NASPAC is known for.
