B.D. Killen Music Group's "Singing River Blues" Officially Featured on Video Voyager Series

January 28, 2025

New York, New York - January 28, 2025 -
B.D. Killen Music Group is thrilled to share that the official music video for "Singing River Blues" is now featured on the Video Voyageur series by Modern Mystery. This is a big step for artist Ben Killen, highlighting his work and giving both fans and newcomers a chance to experience the unique sounds and visuals he has crafted.

"Singing River Blues" by Ben Killen is a touching mix of acoustic Blues and Americana. The song explores themes of loss, hope, and emotional connection, drawing from personal experiences to reach out to listeners. The Video Voyageur feature shines a light on Killen's dedication and artistic vision.

The music video adds a visual story to the song's themes. Directed, produced, and edited by Killen, it beautifully weaves scenes of him with chosen stock footage. The steamboat imagery acts as a symbol of musical heritage's enduring influence, connecting the modern sounds with the blues' historical roots. This artistic vision was supported by strategic partners like the lloolk agency and BDKMG.

"The creation of the music video for 'Singing River Blues' was both challenging and incredibly rewarding," said B.D. Killen. "The project let me dive deep into the emotions behind the song, and I'm excited to share it with an even wider audience through this feature on Video Voyageur."

Making the video was a journey marked by a strong commitment to quality, despite working with a tight budget. Killen's dedication shows in the final product, which was shot natively in 4K on a new APS-C (crop-frame) DSLR and refined over many hours of editing and rendering on entry level hardware to achieve the final cinematic result. His determination to overcome technical challenges underscores his resolve to keep his work impactful.
