January 28, 2025 -
NEW YORK, NY ? Roy Geronemus, M.D., ranked #4 among America's Best Cosmetic Dermatologists by Newsweek, announces the opening of his new private practice specializing in advanced laser and cosmetic dermatology. The state-of-the-art facility is located at 110 East 60th Street, Suite 1108, between Park and Lexington Avenues in Manhattan.

"I am thrilled to start this new chapter and leverage my decades of clinical experience to provide an exceptional dermatologic and laser surgery treatment experience in a boutique practice setting," said Dr. Geronemus, Board-certified dermatologist and former President of the American Society for Dermatologic Surgery and the American Society for Laser Medicine and Surgery.

As he transitions from his previous position as the director of the Laser & Skin Surgery Center of New York, Dr. Geronemus is set to continue his pursuit of innovation and leadership in dermatology. The new practice will continue to utilize the latest treatment technologies, sophisticated injectables, microneedling and progressive approaches to create a youthful and healthy appearance with natural, yet noticeable, results. According to Dr. Geronemus, his practice serves a distinguished community of all skin types and ages with the goal of restoring inner confidence as well as physical rejuvenation for true harmony and balance.

Dr. Geronemus brings over 30 years of expertise to his new venture, having pioneered numerous developments in laser technology and treatment protocols. His particular expertise in treating port wine birthmarks in infants and young children has earned him international recognition.

A Harvard University graduate and University of Miami School of Medicine alumnus, Dr. Geronemus currently serves as the Clinical Professor of Dermatology at NYU Medical Center, Medical Director of the Vascular Birthmarks Foundation, and Chairman of the Board of the New York Stem Cell Foundation.

His excellence in the field has been recognized by New York Magazine as one of the city's top dermatologists 28 times and by The New York Times Magazine as a Super Doctor 18 times.
