

# Wylie Retaining Wall Experts: Top Contractors Expand Services with Custom Designs

*February 18, 2025*

GARLAND, TX - February 18, 2025 -
Keathley Landscaping is excited to share that it's expanding its services in Wylie, Texas, focusing on landscape design and custom stonework. As more people look to enhance their outdoor spaces, the company is offering expertly made retaining walls to turn these areas into functional, beautiful spots.

With over 20 years in the business, Keathley Landscaping has built a strong reputation in outdoor design and maintenance. This expansion shows their commitment to offering services that cater to both the look and practicality of landscapes for communities in Dallas, Garland, Wylie, and Plano, Texas. Their custom retaining walls are particularly popular, as they improve both the appearance and structural stability of landscaping.

"Our growth in Wylie is motivated by the increasing interest in outdoor makeovers," said Logan Keathley, CEO of Keathley Landscaping. "Retaining walls do more than just enhance property aesthetics; they help control erosion and support the soil. We're thrilled to provide Wylie residents with our skills in creating

customized solutions for their landscaping needs."

Retaining walls are a favorite for sloped properties or those with uneven ground. Aside from adding charm, they also help prevent soil erosion and control water drainage on the property. The team at Keathley Landscaping ensures each project is carefully planned, considering the site's unique features and what the client wants. For details on custom retaining walls and other landscaping services, check out their wylie retaining wall contractors page.

Along with retaining walls, Keathley Landscaping offers various services, including effective yard drainage solutions. Poor yard drainage can lead to expensive damage not often covered by insurance. The company provides consultations to pinpoint problem areas and suggest practical solutions. Options like French drains and specifically-designed drainage pipes ensure that yard drainage wylie tx is managed effectively. Find solutions for yard drainage wylie tx on their website.

"In places like Wylie, having proper yard drainage is key to protecting home foundations and keeping lawns healthy," noted Logan Keathley. "Our team is dedicated to thoroughly assessing drainage problems, giving homeowners confidence and beautiful yards year-round."

Moreover, Keathley Landscaping offers trusted sod installation services. A lush green lawn can greatly enhance a property's value. The company can quickly turn any yard into a vibrant green space, working at a speed and level of quality that homeowners appreciate. Their wylie tx sod installers specialize in quickly and beautifully establishing new lawns. Residents can explore options with wylie tx sod installers to learn more.

Beyond these services, Keathley Landscaping also creates outdoor living areas featuring outdoor kitchens, fireplaces, and flowerbed borders, using natural and modern materials. Such additions offer cozy places for gatherings and enjoying nature.

Keathley Landscaping is deeply committed to excellent service, basing every project on quality craftsmanship and client happiness. The company encourages Wylie residents to explore their broad range of services and see how they can improve property aesthetics and quality of life.

Homeowners interested in learning more can visit their dedicated web pages for services like retaining walls and drainage solutions. Keathley Landscaping is ready to collaborate with residents to create lawns and landscapes that are both beautiful and functional.
