

Keathley Landscaping Expands High-Quality Sod Installation Services in Wylie, TX

February 26, 2025

GARLAND, TX - February 26, 2025 -
Keathley Landscaping has announced a big step in expanding its sod installation services Wylie TX. Since 2002, Keathley Landscaping has been dedicated to transforming clients' homes with a variety of landscaping services, focusing on delivering high-quality and efficient sod installations.

Many homeowners are turning to sod installation as a quick solution to revamp their lawns without enduring the delay that comes with seeding. In Wylie, the company's team of skilled professionals uses precise techniques for these installations. Keathley Landscaping uses only top-notch sod, chosen from reliable suppliers to suit the local climate and soil.

Logan Keathley, a company representative, shared, "With sod install Wylie, we aim to offer homeowners an easy and dependable way to boost their property's look and value. We're proud to complete most jobs in just one day while maintaining high standards."

The sod installation process begins by removing existing vegetation and preparing the soil. This step also tackles any issues like pest infestations, drainage problems, or weeds to ensure a strong foundation for the lawn. The sod is then laid and rolled with specialized tools to help roots take hold, giving clients a vibrant, green lawn in no time.

Keathley Landscaping doesn't stop at installation. They provide homeowners with detailed aftercare tips to keep their new lawns healthy. Things like proper watering, mowing habits, and regular maintenance play essential roles in the lawn's long-term success.

Apart from sod installations, the company also offers a range of other landscaping services for those looking to spruce up their outdoor areas. Whether it's designing landscapes, building patios, or installing fences and decks, Keathley Landscaping can create custom spaces tailored to clients' tastes and needs. They also offer services in landscape lighting, outdoor kitchens, and fire pits, adding more beauty and functionality to home exteriors.

Logan mentioned, "We do more than just lay down sod. We offer a complete range of services designed to create beautiful and functional outdoor living spaces." For more details on the variety of services offered by Keathley Landscaping, interested parties can visit their official website.

With the expansion of their sod installation in Wylie TX, Keathley Landscaping looks forward to providing residents with speedy home improvements that also increase property value. Interested individuals can find out more through their pages for sod installation Wylie TX on their website.

The company continues to serve areas around Dallas, Garland, Wylie, and Plano. Keathley Landscaping is committed to delivering reliable landscape solutions that homeowners have trusted for years based on their extensive experience in the industry.

Homeowners who want to refresh their outdoor spaces with new sod are encouraged to get in touch for a consultation. By working with Keathley's team, clients can look forward to a prompt makeover of their lawns and a comprehensive way to improve their outdoor spaces. Potential customers are invited to visit the company's website to learn more about the services offered and start their journey toward enhancing their landscapes.
