TORONTO, ON - February 05, 2025 -
Toronto, ON?Since 2008, Soulmutts Toronto has been a trusted name in professional dog boarding and doggy daycare, catering to pet owners who demand only the best for their beloved companions. Nestled in the vibrant Leslieville neighbourhood, Soulmutts Toronto boasts unparalleled dog daycare, boarding, grooming, walking services, and even holiday dog boarding. The company?s dedication to canine wellness and exceptional facilities has solidified its position as Toronto?s premier dog care provider.

Soulmutts Toronto was founded to provide dogs with a safe, stimulating, and fun environment while offering their owners peace of mind. As a fully insured and bonded organisation, it holds top-tier RSA insurance, is SPCA-approved, and is an esteemed member of Pet Sitters International. These credentials underscore the company's commitment to the highest professionalism and animal care standards.

?At Soulmutts, we believe every dog deserves a space where they can play, socialise, and feel loved. Our services aren?t just about convenience for pet owners?they?re about creating a better life for dogs,? says a

team member at Soulmutts Toronto.

One of Soulmutts? standout features is its state-of-the-art facilities. Spanning 4,500 square feet of indoor space and featuring downtown Toronto's largest outdoor play area, the property is designed for both comfort and fun. Inside, multiple large play areas are tailored to accommodate dogs of different sizes and temperaments, ensuring every pup feels at home.

Soulmutts offers private play spaces for smaller dogs, though they are always welcome to mingle with the larger pack for a full social experience. Feeding is meticulously managed in a custom-built feeding room with individual stalls to ensure every dog?s dietary needs are met without stress or competition.

Health and safety remain a top priority. The facilities feature a professional-grade HEPA air filtration system to maintain a clean and comfortable environment. In addition, all participating dogs must be fully vaccinated, well-socialized, and free of aggression to ensure harmony within the pack.

Soulmutts Toronto?s exceptional care wouldn?t be possible without its highly trained team of full-time pack leaders. Known for their personalized attention and consistent presence, these professionals are integral to the company?s success. Each dog is gradually introduced to the pack through carefully conducted trial assessments, ensuring a smooth integration process.

?We?re not just dog handlers?we?re caregivers, playmates, and advocates for every pup that walks through our doors. Our team is passionate about creating a happy, balanced environment for dogs,? the Soulmutts team adds.

Transportation services are an essential extension of Soulmutts Toronto?s offerings. The company uses customised Mercedes-Benz Sprinters designed for safety and comfort. Whether it?s a morning pick-up or an evening drop-off, dogs travel in style and security, reflecting the company?s attention to every detail of the pet care journey.

With over 400 glowing online reviews, Soulmutts Toronto has earned a reputation as one of the city?s most reliable and beloved dog care providers. The company has been featured in leading publications such as The Globe and Mail and has been recognized as one of Toronto?s top dog walking companies by BlogTO and TorontoDogWalking.com.

As the pet care industry evolves, Soulmutts remains at the forefront by offering services 365 days a year, accommodating flexible drop-off and pick-up times to suit modern, busy lifestyles.
