"We stand behind this mask and customer response has been fantastic," says CEO and founder of PrimeEffects, Philip Jepsen. "We've decided to extend our guarantee to show our conviction that you will be completely satisfied with this mask. If you aren't for any reason we'll give you your money back with no questions asked."

The Amazing Sleep Mask by PrimeEffects is an updated version of their top selling Sweet Dreams Sleep Mask, and incorporates new features based on customer feedback. It features a slider style adjuster on the elastic head band, as opposed to the previous Velcro adjuster, which reduces potential snags in the hair and provides a greater range of adjustment. The mask itself has been expanded, with a new, lighter materials that increases coverage while at the same time reducing the overall weight of the mask. It comes with a set

of improved ear plugs, which stow in their own holders on the strap.

"We call it a sleep system," says Mr. Jepsen. "Blocking light is a big part of handling the environment so you can rest, but sound plays a part too. And so our mask comes with a pair of quality ear plugs as well."

The Amazing Sleep Mask Sleep System by Prime Effects is available on Amazon, and comes with a 60-day no questions asked satisfaction money back guarantee.
