

Cabinet Boost and UPMAX Set to Revolutionize KBIS 2025 with Cutting-Edge AI Marketing Strategies

February 24, 2025

Long Beach, California - February 24, 2025 -
Cabinet Boost, a leading player in AI-driven marketing for the cabinet industry, is gearing up for its participation in KBIS 2025, the top event for the kitchen and bath industry. This show is a great opportunity for industry experts to check out the newest marketing tools that boost growth and success for cabinet businesses across the nation. You can find Cabinet Boost, powered by UPMAX, at Booth #SL3205 in the South Hall of the Discovery District, where they'll showcase their AI-infused marketing platform.

At the booth, visitors can see firsthand how Cabinet Boost has transformed cabinet business growth. The spotlight will be on their modern lead generation solutions and guaranteed appointment systems. Industry professionals attending KBIS 2025 will learn about the benefits of working with Cabinet Boost powered by UPMAX, as their marketing strategies blend AI technology to maximize efficiency and effectiveness.

Sezgin Arslan, a key spokesperson for Cabinet Boost, shared his excitement about the upcoming show. "KBIS 2025 is a great platform for us to highlight what we can do," Arslan said. "We can't wait to show off how

our AI-powered solutions can change the game for marketing strategies in cabinets, contractors, and designers across Southern California, in places like Los Angeles, Orange County, and San Diego."

Cabinet Boost, with the support of UPMAX, offers businesses in Southern California a chance to explore strategies that fit their specific needs. They focus on cabinetry marketing, remodeling marketing, and wholesale cabinetry marketing services. Their method is all about boosting the online presence of cabinet wholesalers, remodelers, and retailers to improve their marketing outcomes. UPMAX provides specialized services such as paid ads management, marketing automation, and search engine optimization to ensure maximum online visibility and conversion for their clients, proven by their $2 million investment in successful campaigns which can be explored further on their website.

Those who stop by the KBIS 2025 booth will also see Cabinet Boost's dedication to transparency through their reporting methods. The company takes pride in providing real-time analytics that help clients make informed decisions, making sure every marketing dollar is used wisely for the best return.

Additionally, the event will offer one-on-one consultations with Cabinet Boost's team of marketing professionals. These sessions help tackle the unique challenges that businesses in the cabinetry and remodeling sectors face. The strategies are customized to meet business goals, ensuring each client gets a personalized plan for sustained growth.

Arslan went on to explain the company's mission: "We want to equip businesses with the right tools and insights for lasting success. Our AI platform is made to streamline operations while improving client engagement and retention."

Cabinet Boost's presence at KBIS 2025 highlights its commitment to enhancing the marketing capabilities of businesses in the cabinet industry. With their advanced tools and strategic advice, Cabinet Boost powered by UPMAX is set to keep fostering growth and efficiency for its clients. Through services like SEO optimization, custom web design, and expert social media management, they address all aspects of digital marketing, ensuring comprehensive solutions that drive success. To learn more about how UPMAX helps businesses enhance their online strategy, visitors can discover additional insights on their website.

Cabinet Boost distinguishes itself with a deep understanding of the Southern California market. By matching its marketing solutions with the unique traits of the region, it provides B2B clients, including contractors, designers, and cabinet retailers, with unmatched expertise and support. Focusing on helping businesses grow, Cabinet Boost powered by UPMAX emphasizes client satisfaction and lasting results.

As KBIS 2025 approaches, Cabinet Boost invites industry professionals to take advantage of the insights and strategies they'll be offering. The company's participation emphasizes its role as a trusted partner in helping

businesses grow through creative marketing solutions.

For further details about KBIS 2025 Cabinet Boost and UPMAX's involvement at KBIS 2025, attendees can visit the booth or the official website. Cabinet Boost powered by UPMAX's focus on innovation and customer success shines through in its offerings, like paid ads management, SEO optimization, custom web design, and expert social media management. This comprehensive approach delivers impactful marketing strategies tailored to each client's needs. Additional information about their web accessibility solutions, which ensure ADA & WCAG compliance, is also available for those interested in creating more inclusive digital spaces.
