Home Instead Dorchester Expands Services with After Hospital Care, Providing Support with Minimal Wait Times

February 25, 2025

February 25, 2025 -
Dorchester, UK ? Home Instead Dorchester is pleased to announce the launch of its new After Hospital Care service, designed to support individuals returning home after a hospital stay. This expansion ensures that clients in Dorchester and the surrounding areas receive high-quality, professional care with minimal wait times, thanks to care professionals who live locally and understand the community?s needs.

Returning home after a hospital stay can be challenging, particularly for older adults who require assistance with daily activities, medication management, or mobility support. Home Instead Dorchester?s After Hospital Care offers tailored assistance to ease the transition, promoting a safe and comfortable recovery at home.

?We understand how important it is for individuals to regain their independence after a hospital stay while ensuring their safety and well-being at home,? said Romesh Dharmasingham, owner of Home Instead Dorchester. ?Our experienced care professionals are here to provide the right level of support, whether it?s help with personal care, meal preparation, or simply having someone there to offer reassurance during recovery.?

One of the key advantages of Home Instead Dorchester?s After Hospital Care is its personalised approach. Each care plan is designed around the unique needs of the individual, ensuring they receive the right level of support at the right time. Care professionals are highly trained and available to assist with:

They provide personalised care services tailored to individual needs, including personal care and hygiene assistance, mobility support with rehabilitation exercises, nutritious meal preparation, medication reminders, and compassionate companionship to ensure emotional well-being.

This service is now available in Dorchester and surrounding areas, with minimal wait times due to Home Instead?s strong local presence.

Home Instead Dorchester has built a reputation for providing compassionate and high-quality care. Families who have used the service continue to express their appreciation for the dedicated team of care professionals.

"Thanks so much to Cat and the team at Home Instead Dorchester. They cared for my grandma in her home for over two years, most of that time on a 24/7 basis. They provided an excellent level of care, really going above and beyond, and were happy to give daily updates to my mum on the phone between our visits. I'd recommend them to anyone looking for care in their own or their relative's home," said V Bonass, Grandchild of a Client.

The introduction of After Hospital Care is a natural extension of Home Instead?s commitment to providing tailored in-home care solutions that support individuals in maintaining their independence.

Home Instead Dorchester ensures that all care professionals receive comprehensive training, equipping them with the skills and knowledge to provide the best possible support. The team follows rigorous safety protocols and is dedicated to upholding the highest standards of care.

?Our clients and their families trust us because they know we are committed to quality and professionalism,? added Romesh Dharmasingham. ?This new service will make it easier for people in our community to recover at home, knowing they have expert support whenever they need it.?

Located at 31 High West Street, Dorchester, Home Instead Dorchester has been a trusted provider of high-quality in-home care services, supporting older adults in maintaining their independence and comfort within familiar surroundings.
