

Clever Carpets & Flooring Unveils Innovative Mobile Showroom in North East London

February 28, 2025

Watford, UK - February 28, 2025 - PRESSADVANTAGE -

Clever Carpets & Flooring LTD is excited to announce its innovative mobile showroom service, bringing ease directly to its customers. Located in London, the company is known for supplying and installing a wide variety of flooring solutions in both homes and businesses. This new service aims to improve the way customers select their flooring by offering a personalized experience at their front door. It saves time and lets customers see and touch different flooring options in the comfort of their own homes.

The mobile showroom is part of the company's ongoing effort to improve customer service. It allows customers to check out a range of options, like carpet, sisal and stair runners, engineered wood, laminate, luxury vinyl tiles (LVT), and safety flooring. With demonstrations and samples on hand, customers can make informed choices that match their specific requirements and preferences.

Daniel Romani, a spokesperson for the company, mentioned, "Our mobile showroom is a significant step forward in making the flooring selection process more accessible and convenient for our customers. By providing this unique service, we aim to deliver a seamless experience that is tailored to fit every individual's style and budget."

Alongside the mobile showroom, Clever Carpets & Flooring LTD provides next-day delivery for customers who need their flooring quickly. For more details about their efficient supply and fitting service, which guarantees workmanship from some of London's finest professionals, visit the company's main service page.

For those in need of commercial flooring, the company offers durable and low-maintenance options like commercial safety floors and wet rooms. These choices are perfect for high-traffic areas where safety and functionality are priorities, showing the company's commitment to quality and service excellence.

Customers can also use the company's uplift and disposal service, which makes it easy to switch from old to new flooring by professionally removing and disposing of old materials. This added convenience highlights the customer-centered approach of Clever Carpets & Flooring LTD.

Extending its focus on customer satisfaction, the company provides an estimating service where clients can get help with measurements over the phone or through a site visit. Detailed information is available for potential clients to understand the process and benefits.

Clever Carpets & Flooring LTD works closely with many top manufacturers across the UK, giving customers a wide range of options to fit any budget or taste. This extensive selection, together with the company's dedication to customer satisfaction, confirms its status as a top flooring provider in London.

Daniel Romani further explained, "Providing a diverse range of top-quality products and services is at the heart of what we do. Our partnerships with top manufacturers ensure our customers have access to the best materials the market has to offer."

To learn more about the mobile showroom and other services, potential clients can visit the company's website, which offers detailed information about all services. The company also engages with customers through social media platforms, including Facebook and Instagram.

Clever Carpets & Flooring - Flooring North East London is leading the way in the flooring industry, driven by innovation and a focus on customer satisfaction. The new mobile showroom service showcases their forward-thinking approach in meeting the changing needs of customers.
