

Rimonix Launches Secure Travel Money Belt/Passport Holder

January 25, 2016

January 25, 2016 -

Rimonix is pleased to announced the launch of an RFID-safe, secure, travel money belt and passport holder. The lightweight, adjustable product has secure buckles, zippers, and stitchings.

Also featuring a TSA-approved lock, the holder has an adjustable strap for fitting. Credit cards, driver?s licenses, and passports remain secure as RFID readers cannot penetrate the material. The lightweight product is designed for maximized comfort. A 100% Money Back Guarantee is offered. Discounted by over 50%, the money belt/passport holder is being offered with a free lock.
