DAVENPORT, Iowa - March 24, 2025 -
Amana Care Clinic, a well-known Davenport health clinic, is expanding into Muscatine, Iowa. They're also rolling out online consultations. As an urgent care clinic, Amana Care provides a quick and affordable option for people needing immediate help with minor health issues. This expansion aims to make urgent care more available to those in the Quad Cities and Muscatine areas, offering a flexible and no-appointment-needed approach to healthcare.

"The move into Muscatine and our new online consultation service are steps toward making healthcare more accessible to our communities," said Dr. Moutaz Kotob from Amana Care Clinic. He emphasized that these updates reflect the clinic's commitment to meet the changing needs of patients who want fast medical attention, avoiding the typical waits at a hospital or emergency room.

Amana Care functions as a walk-in urgent care clinic, effectively dealing with a variety of minor health problems like cold symptoms, ear infections, and minor injuries. Their facilities have the equipment needed

for full lab tests and X-rays, which help diagnose more complex issues such as back pain and muscle injuries. These services are part of the clinic's promise to offer complete care for non-urgent medical conditions.
