

The Roof Whisperer Now Provides Emergency Roof Repairs

January 25, 2016

January 25, 2016 - PRESSADVANTAGE -

Toronto's leading roofing company, The Roof Whisperer, is pleased to announce the addition of emergency roof repairs to its list of offered services.

Emergency repair services are available to customers with flat roofs, butterfly roofs, gambrel roofs, and others. From leaks to cave-ins, the company says their professionals can get the job done. Residential and commercial buildings are serviced. A professional first evaluates the situation and provides temporary fixes until a permanent solution can be worked out.

Full documentation is conducted. Dangerous, pressing issues are handled right away. To learn more, go to <http://roofingspecialists.ca/emergency-roof-repairs/>.
