

# Carrington Lawn & Landscape Welcomes Renowned Designer Bob Wambauch

*March 14, 2025*

March 14, 2025 -
Carrington Lawn & Landscape is excited to bring Bob Wambach on board as a Senior Landscape Designer. He joins the team from Proscapes LLC, a company based in Madison, Wisconsin. With Bob's extensive experience in Landscape Design & Installation, he aims to elevate the quality of outdoor spaces for Carrington's clients. "I look forward to joining this great team and transforming outdoor environments for our clients," Wambach noted recently. To learn more about their comprehensive landscape design and installation services, visit their website.

Bob has been dedicated to the green industry for over 30 years, starting as a 12-year-old mowing lawns. Over the years, he has honed his skills, combining practical experience with formal education. Bob studied at Madison College, Kenosha Tech, UW Madison, and Madison School of Electronics. His career has been marked by designs that have drawn industry acclaim.

Bob has won numerous Excellence in Hardscape Awards and has been recognized by Unilock for his work in

sales and design. His projects have been featured in national magazines, reinforcing his reputation in the field. Before joining Carrington, Bob ran Pond and Patio Inc. until 2009 and then became Lead Designer at Proscapes until ownership retirement. At Carrington Lawn & Landscape, he looks forward to applying his deep experience. Those interested in Carrington's exemplary lawn and landscape maintenance services can learn more on their website.

Living in Cottage Grove now, Bob originally hails from Franklin, Wisconsin. He balances his professional work with a rich personal life, sharing his home with his wife of 27 years, their two sons, and five pets, including three dogs and two cats. When he's not crafting beautiful outdoor spaces, Bob enjoys cheering for the Badgers and the Packers and spending time outdoors camping and hiking.

Beyond his career, Bob actively gives back to the community by volunteering at food pantries, shelters, and Habitat for Humanity. He is thrilled to join Carrington's team and eager to work with other talented designers after years of working solo. His broad perspective and rich experience will benefit Carrington's projects around Middleton, particularly in enhancing their range of lawn care programs and snow & ice management offerings, details of which can be found on their website.

Sean Carrington, the Founder and President, shared his excitement about Bob joining the team: "Bob's extensive experience and passion for landscape design make him a perfect fit for our team at Carrington Lawn & Landscape. We are excited to see the creative designs and enhanced services he will offer our clients."

Bob's addition to the team reflects Carrington Lawn & Landscape's ongoing commitment to delivering top-notch landscape design and installation services. His skills align with Carrington Lawn & Landscape's goal of turning outdoor spaces into beautiful, functional areas that match each client's vision.

Readers can look forward to updates and project highlights from Carrington Lawn & Landscape as they continue to grow and provide quality service.
