Positive Eye Ons Welcomes Dr. Theresa Tran, OD, to West Hollywood Practice

March 11, 2025

West Hollywood, California - March 11, 2025 -
West Hollywood, CA ? Positive Eye Ons is thrilled to announce the addition of Dr. Theresa Tran, OD, to their esteemed team of eye care professionals. A highly skilled and compassionate optometrist, Dr. Tran brings extensive experience and a dedication to providing exceptional patient care to the West Hollywood community. Originally from Kansas City, MO, she is eager to serve the area with her expertise in specialty contact lenses and advanced eye care treatments.

Dr. Tran specializes in the management of keratoconus, fitting specialty contact lenses?including rigid gas permeable and scleral lenses?and providing comprehensive pre- and post-operative care for LASIK and cataract patients. Her commitment to optometry stems from a deeply personal experience: witnessing her father?s life-changing cataract surgery. This pivotal moment inspired her to pursue a career dedicated to improving vision and enhancing the quality of life for her patients.

Dr. Tran?s background includes years of hands-on experience in various clinical settings, where she has honed her ability to diagnose and treat a broad spectrum of ocular conditions. She stays up to date with the latest advancements in optometry to ensure that her patients receive cutting-edge treatments and solutions

tailored to their specific needs. Her expertise in specialty contact lenses allows her to help patients with unique vision challenges achieve clearer sight and improved comfort.

?We are beyond excited to welcome Dr. Tran to our practice,? said Dr. Ryan Stybel, O.D., owner of Positive Eye Ons. ?Her knowledge in managing complex vision conditions, along with her warm and approachable demeanor, makes her a tremendous asset to our team. We are confident that her expertise will bring immense benefits to our patients.?

Dr. Tran is known for her patient-focused approach, ensuring that each individual receives tailored treatment based on their unique vision needs. She takes the time to educate patients about their conditions and available treatment options, fostering an environment of trust and confidence. Her approach helps patients make informed decisions regarding their eye health, reinforcing the importance of preventative care and early intervention for ocular diseases.

Beyond her professional endeavors, Dr. Tran leads an active and adventurous lifestyle. She enjoys hiking, practicing pilates and yoga, and exploring new restaurants to experience diverse cuisines. Her passion for community engagement extends to her ability to connect with a wide range of patients, including Vietnamese-speaking individuals, allowing her to provide personalized care and bridge potential language barriers. She believes in building strong doctor-patient relationships and takes pride in making patients feel comfortable during their visits.

To celebrate Dr. Tran?s arrival, Positive Eye Ons invites both new and existing patients to schedule an appointment and experience her expert care firsthand. Whether in need of specialty contact lenses, keratoconus management, or general eye health services, Dr. Tran is ready to provide top-tier, customized care.
