Lena?s story underscores the extraordinary level of support and understanding that patients receive at WhiteSands Treatment. In her words, ?WhiteSands was the second treatment center I have been to and I am SO thankful that I chose them. I cannot say enough amazing things about them. The staff is kind and caring, the facility is clean and well maintained, they allow you to have your phone for the evening if you go to all of your classes. They run evening activities like BINGO, spades tournaments, or will have sports on the big screen with ordered in food in the common area. The food is pretty good, and they also have extra amenities like a pool, a chiropractor, a gym, a sand volleyball court, a basketball court, and even boxing! PLEASE, I

ENCOURAGE ALL TO GO TO COACH RAY?S BOXING. It is an amazing workout and extremely cathartic. Coach Ray is an absolute legend and he is so supportive. He truly cares about each and every one of us in the program. Everyone at that facility wants us to recover. The teachers, doctors, nurses, etc are all fantastic.
