

Keystone Bounce Expands Party Rental Services to More Areas in Bucks and Montgomery Counties

March 25, 2025

March 25, 2025 -
Keystone Bounce, a well-loved party equipment rental service in Pennsylvania, is excited to share that it has broadened its offerings to more areas in Bucks and Montgomery Counties. Known for its extensive selection of inflatable rentals and other party staples, Keystone Bounce is all about creating memorable events for families and communities. They service several towns, including Perkasie, Lansdale, Newtown, Horsham, Warrington, and Doylestown.

Keystone Bounce offers all sorts of rental options, especially their popular bounce houses and inflatable water slides. These are perfect for any event like birthday parties, school fairs, or church gatherings. Each inflatable goes through thorough cleaning, sanitization, and inspection before every use to ensure they're safe and enjoyable. Safety is a top priority for the company, and they ensure all equipment is reliable.

Apart from bounce houses, they provide an exciting range of water slides which are a big hit during summer events and outdoor festivals. For cooler seasons or indoor parties, they have dry slides that add just as much

fun. Their obstacle courses and interactive games keep guests entertained, making them favorites for school carnivals and community block parties.

Bradley Thomas, who represents Keystone Bounce, stated, "We're really excited to extend our party rentals to more areas in Pennsylvania. We aim to offer high-quality rentals that families and event planners can trust for their special occasions. Our goal is for every event we help with to be full of joy and lasting memories."

Keystone Bounce Party and Bounce House Rentals also provide tents, which are great for a variety of outdoor events. A professional team sets up and takes down the tents, allowing hosts to focus on other parts of their event. They also offer concession rentals like popcorn machines and cotton candy machines. Yard game rentals are also an option providing extra fun for guests of all ages.

For more in-depth information on the specific services they offer, including images and detailed descriptions, potential clients are encouraged to visit the Keystone Bounce website at keystonebounce.com.

To round off their offerings, they rent chairs, tables, and kids' furniture, making sure every event can comfortably host a lot of attendees. Keystone Bounce is committed to making sure all rentals are clean and in top shape before being rented out.

"We think everyone should have the chance to throw incredible events," Bradley Thomas added. "With our wide range of party rentals, we aim to make each event fun and easy-going for both organizers and guests."

Keystone Bounce is dedicated to providing not just rental items, but memorable experiences. They offer a money-back guarantee for rain cancellations, highlighting their commitment to customer satisfaction. This promise, along with their detailed cleaning and setup procedures, makes Keystone Bounce a dependable choice for event planners seeking peace of mind.

For those interested in learning more, checking out what Keystone Bounce offers, and seeing photos and reviews from previous clients, their official website and Facebook profile are great resources.

Keystone Bounce is focused on growing its reach and services, striving to be the top choice for all party rental needs in the areas they serve. The company looks forward to helping even more families and organizations, maintaining its reputation as a leader in providing high-quality party equipment rentals.
