*March 24, 2025*

San Juan Capistrano, CA - March 24, 2025 -
West Coast Tire & Services is expanding its reach to include auto repair customers in San Clemente, Ladera Ranch and Rancho Mission Viejo, California. This well-established full-service shop has been providing top-tier auto repair and maintenance since 2006. West Coast Tire & Services is excited to offer high-quality automotive services to the San Clemente, Ladera Ranch, and Rancho Mission Viejo communities, ensuring the same reliable service that customers in San Juan Capistrano have trusted for years.

By extending its service area to San Clemente, Ladera Ranch, and Rancho Mission Viejo, West Coast Tire & Services gives these communities better access to a wide range of auto repair services. Known for its expertise with both foreign and domestic vehicles, West Coast Tire & Services employs ASE-certified technicians to deliver great service every time. They focus on comprehensive services, including everything from auto and diesel repair to tire and engine rebuilding.

Todd, a company representative, shared his excitement about the expansion. "Our goal is to bring the same dependable service we're known for in San Juan Capistrano to San Clemente and South OC. We look forward to helping more customers keep their vehicles running smoothly."

As a certified Good Year Auto Service Center Tire Dealer, West Coast Tire & Services benefits from its partnership with a well-respected national brand. This certification enhances their ability to offer factory maintenance schedules at competitive prices. Customers can trust that their vehicles are in good hands, with the team using cutting-edge technology for repairs and services.

The company's commitment to customer satisfaction is reinforced by offering financing options and working with extended warranties, making service costs manageable for everyone. More information about these options and their various services can be found at wctires.com/services.

In addition to general auto repair, West Coast Tire & Services specializes in diesel repair. They offer lift kits, tires, and specialty wheels designed specifically for pick-up truck vehicles. Their suspension repair services ensure a smooth ride, while their radiator and engine rebuilding services enhance vehicle performance and longevity.

"We believe in honest and professional automotive repair," Todd added. "Our team is dedicated to providing the best service possible at competitive prices so that car owners in South Orange County don't have to pay high dealer costs."

The company's tire repair services help ensure vehicle safety and efficiency, which is critical for optimal driving conditions. The expansion into South OC cities highlights West Coast Tire & Services' commitment to reaching more customers while maintaining high standards of service and satisfaction.

The move into San Clemente, Ladera Ranch, and Rancho Mission Viejo shows their dedication to bringing quality auto repair services to more people. With experienced technicians, competitive pricing, and a focus on customer service, the company is ready to meet the needs of the San Clemente community. Good Year San Juan Capistrano services remain an integral part of their offerings, providing peace of mind for those in search of reliable tire services.

As they grow, West Coast Tire & Services remains committed to the standards that have earned them a solid reputation. With skilled technicians, advanced diagnostic tools, and a complete range of automotive services, they are well-prepared to handle the diverse needs of any vehicle owner.
