January 28, 2016

January 28, 2016 - PRESSADVANTAGE -

Each year the East Brunswick Jewish Center (EBJC) creates at least one evening of entertainment to remember. And, their 2016 EBJC event is expected to be spectacular. According to Jack Goldberg, Vice President and event co-organizer, "Every adult is bound to find something. While guests are waiting for the 2 comedians we have great food and magicians roaming around. Not only can the magicians make coins disappear but they incredibly adept at making food disappear. Then, after this comes 2 comedians and finally dancing for all. We're really expecting a great night."

Judy Salant, another Vice President and co-organizer is ecstatic and says "I can't believe how well everything is coming together. Appetizers, comics, dancing - and then desserts... who wouldn't want to have some mayhem for an evening? With all this food people will have to dance it off."

Titled "An Evening of Magic, Music and Mayhem this event is scheduled for Saturday, February 20, 2016 at

7:30 PM. \$54/person and Reservations are a must. For more information or reservations call EBJC at (732) 257-7070.
